**ARE YOU  
BUSHFIRE  
READY?**

## ***Tips for Survival in a Bushfire – EVACUATION AND ROAD CLOSURES***

Firefighters will evacuate areas to save lives, as this is their highest priority.

Road blocks are managed by police who will not allow you to return home under any circumstance.

It is important that you take everything you need with you if you leave. Make sure you take your bushfire survival kit, including important papers, medications and personal supplies.

Once you have left your property you may not be allowed back for hours or possibly even days.

For information about road closures during a bushfire; contact Main Roads on 138 138, contact your local government or go to: [www.mainroads.wa.gov.au](http://www.mainroads.wa.gov.au)
