

Local Emergency Management Arrangements (LEMA) Review

Key Messages

-
- The LEMA review is a significant opportunity to reshape Local Emergency Management Arrangements.
 - The aim of the LEMA review is to improve processes and develop fit-for-purpose and adaptive local level emergency arrangements, that considers the changing risk landscape.
 - DFES on behalf of the SEMC and WALGA will work together with key stakeholders to identify issues with LEMA and develop options to streamline LEMA processes.
 - The consultation process will seek representative feedback to identify opportunities and design new approaches, rather than only identifying problems.
 - During this review we welcome your input, and all options will be considered.
 - The outcome of the LEMA review will be an Improvement Plan that includes implementation actions. It is intended that the Improvement Plan will be finalised by June 2023.
 - LEMA that are scheduled for review before June 2023 should proceed as planned so obligations under the EM Act are maintained.
 - Feedback and questions can be sent to LEMAreview@dfes.wa.gov.au

SEMC supported by the Department of Fire and Emergency Services
