

MINUTES

ORDINARY MEETING OF COUNCIL

26 APRIL 2022

DISCLAIMER

No responsibility is implied or accepted by the Shire of Wagin for any act, omission or statement or intimation occurring during Council or committee meetings.

The Shire of Wagin disclaims any liability for any loss whatsoever and howsoever caused arising out of reliance by any person or legal entity on any such act, omission or statement or intimation occurring during Council or committee meetings.

Any person or legal entity who acts or fails to act in reliance upon any statement, act or omission made in a Council or committee meeting does so at that person's or legal entity's own risk.

In particular and without detracting in any way from the broad disclaimer above, in any discussion regarding any planning application or application for a licence, any statement or intimation of approval made by any member or officer of the Shire of Wagin during the course of any meeting is not intended to be and is not taken as notice of approval from the Shire of Wagin

The Shire of Wagin advises that anyone who has any application lodged with the Shire of Wagin shall obtain and should only rely on **WRITTEN CONFIRMATION** of the outcome of the application, and any conditions attaching to the decision made by the Shire of Wagin in respect of the application.

Bill Atkinson
CHIEF EXECUTIVE OFFICER

GIFTS DISCLOSURE INFORMATION

The Gifts Register contains the disclosures of gifts that have been made by Elected Members, the Chief Executive Officer and Employees in their official capacity.

To adhere with the changes to gift disclosure regulations in the *Local Government Legislation Amendment Act 2019*, passed by Parliament on 27 June 2019, the Shire of Wagin provides gift disclosure information in the interests of accountability and transparency.

Elected Members and the Chief Executive Officer are required to disclose gifts which are valued over \$300 or are two or more gifts with a cumulative value over \$300 (where the gifts are received from the same donor in a 12 month period) within 10 days of receipt [Sections 5.87A & 5.87B *Local Government Act 1995*].

The Act and Regulations require the Chief Executive Officer to publish an up to date version of the Gifts Register on the Shire's website after a disclosure is made. To protect the privacy of individuals, the register published on the website does not include the address disclosed by an individual donor and will instead include the town or suburb.

Moved Cr B S Hegarty

Seconded Cr G R Ball

That EFT Payments EFT11822 – EFT11920, Cheque Payments 17 – 24 and Direct Debit Payments DD4719.1 - DD4763.29 from the Municipal Account totalling \$374,398.15 and EFT Payments EFT11869 – EFT11917 and Cheque Payments 6 - 9 from the Restricted Funds Account totalling \$665.80 for the month of March 2022 be endorsed and accepted for payment

Carried 6/0

BRIEF SUMMARY

The financial statements and list of account payments are attached for Council to adopt.

BACKGROUND/COMMENT

The financial statements for March 2022 with corresponding list of account payments are attached for Council to adopt.

The Local Government (Financial Management) Regulations 1996 requires the Council is to be presented with a Statement of Financial Activity each month.

****Gentle Reminder – The Chief Executive Officer has requested that Councillors with queries relating to the payments made please direct them to staff for a response prior to the Council meeting****

The financial position of the Shire remains strong with cashflows from grants and rates tracking on schedule.

The Adjusted Net Current Assets figure as at the 31 March 2022 is \$2,055,021 compared to \$1,060,496 in 2021. This figure includes the contract assets and liabilities (listed as income and expenses in advance) as per Australian Accounting Standard AASB 15. The grant income is only recognised as revenue when expenditure occurs.

Rates received as at the end of March amounted to \$2,599,527 or 97.51% which is very similar to 97.56% at the same time last year. Overdue rate assessments that are not under an arrangement to pay their arrears have been forwarded to AMPAC for debt recovery proceedings. Sundry debtors continue to be monitored with collection action having been initiated and payment arrangements being set in place where possible.

Salaries and wages continue to be below budget for the year due to restructuring of some positions and savings in staff hours. This will ensure adequate funding for relief staff as required and free up some monies for additional projects council have wished to include this year.

Grants are being recouped as soon as possible. Regional Road Group projects are progressing and the 2nd 40% applied for in March has now been paid by Main Roads WA. Lotterywest funding of \$195,713 has been received in advance.

We have recently been advised that the FAG's for 2022/23 will again be paid early with council expecting to receive approximately 75% of next years' funding in April. This will lead to reduced income in the 2022/23 financial year. Council will need to make a budget adjustment once funds are received to reflect the income and carry forward of unspent funds as at 30 June 2022. Forward payments have been based on the 2021/22 calculations and final figures will not be known until sometime later.

Shire has a total of \$2,620,299 invested in interest bearing accounts which are currently earning interest of 0.05% on Treasury OCDF (\$909,016) and 0.28% on Reserve Term Deposit (\$1,711,283). Interest rates continue to be abysmally low and expected has been revised in the annual budget review.

The annual budget review has been undertaken during March and is presented to council in a separate agenda item.

PREPARATION TIMING AND REVIEW

Date prepared: All known transactions up to 15 December 2021
Prepared by: Manager of Finance
Reviewed by: Chief Executive Officer

BASIS OF PREPARATION

REPORT PURPOSE

This report is prepared to meet the requirements of Local Government (Financial Management) Regulations 1996, Regulation 34 . Note: The statements and accompanying notes are prepared based on all transactions recorded at the time of preparation and may vary due to transactions being processed for the reporting period after the date of preparation.

BASIS OF ACCOUNTING

This statement comprises a special purpose financial report which has been prepared in accordance with Australian Accounting Standards (as they apply to local governments and not-for-profit entities and to the extent they are not in-consistent with the Local Government Act 1995 and accompanying regulations), Australian Accounting Interpretations, other authoritative pronouncements of the Australian Accounting Standards Board, the Local Government Act 1995 and accompanying regulations. Accounting policies which have been adopted in the preparation of this financial report have been consistently applied unless stated otherwise.

Except for cash flow and rate setting information, the report has been prepared on the accrual basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and liabilities.

THE LOCAL GOVERNMENT REPORTING ENTITY

All Funds through which the Council controls resources to carry on its functions have been included in this statement. In the process of reporting on the local government as a single unit, all transactions and balances between those funds (for example, loans and transfers between Funds) have been eliminated. All monies held in the Trust Fund are excluded from the statement, but a separate statement of those monies appears at Note 11.

SIGNIFICANT ACCOUNTING POLICES

GOODS AND SERVICES TAX

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). Receivables and payables are stated inclusive of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with receivables or payables in the statement of financial position. Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows.

CRITICAL ACCOUNTING ESTIMATES

The preparation of a financial report in conformity with Australian Accounting Standards requires management to make judgements, estimates and assumptions that effect the application of policies and reported amounts of assets and liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances; the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

ROUNDING OFF FIGURES

All figures shown in this statement are rounded to the nearest dollar.

KEY INFORMATION

▲▼ Indicates a variance between Year to Date (YTD) Budget and YTD Actual data as per the adopted materiality threshold. Refer to Note 2 for an explanation of the reasons for the variance.

The material variance adopted by Council for the 2021/22 financial year is \$20,000.

This statement is to be read in conjunction with the accompanying Financial Statements and notes.

**KEY TERMS AND DESCRIPTIONS
FOR THE PERIOD ENDED 31 MARCH 2022**

NATURE OR TYPE DESCRIPTIONS

REVENUE

RATES

All rates levied under the Local Government Act 1995. Includes general, differential, specific area rates, minimum rates, interim rates, back rates, ex-gratia rates, less discounts offered. Exclude administration fees, interest on instalments, interest on arrears and service charges.

OPERATING GRANTS, SUBSIDIES AND CONTRIBUTIONS

Refer to all amounts received as grants, subsidies and contributions that are not non-operating grants.

NON-OPERATING GRANTS, SUBSIDIES AND CONTRIBUTIONS

Amounts received specifically for the acquisition, construction of new or the upgrading of non-current assets paid to a local government, irrespective of whether these amounts are received as capital grants, subsidies, contributions or donations.

PROFIT ON ASSET DISPOSAL

Profit on the disposal of assets including gains on the disposal of long term investments. Losses are disclosed under the expenditure classifications.

FEES AND CHARGES

Revenues (other than service charges) from the use of facilities and charges made for local government services, sewerage rates, rentals, hire charges, fee for service, photocopying charges, licences, sale of goods or information, fines, penalties and administration fees. Local governments may wish to disclose more detail such as rubbish collection fees, rental of property, fines and penalties, other fees and charges.

SERVICE CHARGES

Service charges imposed under Division 6 of Part 6 of the Local Government Act 1995. Regulation 54 of the Local Government (Financial Management) Regulations 1996 identifies these as television and radio broadcasting, underground electricity and neighbourhood surveillance services. Exclude rubbish removal charges. Interest and other items of a similar nature received from bank and investment accounts, interest on rate instalments, interest on rate arrears and interest on debtors.

INTEREST EARNINGS

Interest and other items of a similar nature received from bank and investment accounts, interest on rate instalments, interest on rate arrears and interest on debtors.

OTHER REVENUE / INCOME

Other revenue, which can not be classified under the above headings, includes dividends, discounts, rebates etc.

EXPENSES

EMPLOYEE COSTS

All costs associate with the employment of person such as salaries, wages, allowances, benefits such as vehicle and housing, superannuation, employment expenses, removal expenses, relocation expenses, worker's compensation insurance, training costs, conferences, safety expenses, medical examinations, fringe benefit tax, etc.

MATERIALS AND CONTRACTS

All expenditures on materials, supplies and contracts not classified under other headings. These include supply of goods and materials, legal expenses, consultancy, maintenance agreements, communication expenses, advertising expenses, membership, periodicals, publications, hire expenses, rental, leases, postage and freight etc. Local governments may wish to disclose more detail such as contract services, consultancy, information technology, rental or lease expenditures.

UTILITIES (GAS, ELECTRICITY, WATER, ETC.)

Expenditures made to the respective agencies for the provision of power, gas or water. Exclude expenditures incurred for the reinstatement of roadwork on behalf of these agencies.

INSURANCE

All insurance other than worker's compensation and health benefit insurance included as a cost of employment.

LOSS ON ASSET DISPOSAL

Loss on the disposal of fixed assets.

DEPRECIATION ON NON-CURRENT ASSETS

Depreciation expense raised on all classes of assets.

INTEREST EXPENSES

Interest and other costs of finance paid, including costs of finance for loan debentures, overdraft accommodation and refinancing expenses.

OTHER EXPENDITURE

Statutory fees, taxes, provision for bad debts, member's fees or State taxes. Donations and subsidies made to community groups.

KEY INFORMATION

▲ ▼ Indicates a variance between Year to Date (YTD) Budget and YTD Actual data as per the adopted materiality threshold. Refer to Note 2 for an explanation of the reasons for the variance.

This statement is to be read in conjunction with the accompanying Financial Statements and Notes.

SIGNIFICANT ACCOUNTING POLICIES

CURRENT AND NON-CURRENT CLASSIFICATION

In the determination of whether an asset or liability is current or non-current, consideration is given to the time when each asset or liability is expected to be settled. The asset or liability is classified as current if it is expected to be settled within the next 12 months, being the Council's operational cycle. In the case of liabilities where Council does not have the unconditional right to defer settlement beyond 12 months, such as vested long service leave, the liability is classified as current even if not expected to be settled within the next 12 months. Inventories held for trading are classified as current even if not expected to be realised in the next 12 months except for land held for resale where it is held as non current based on Council's intentions to release for sale.

EMPLOYEE BENEFITS

The provisions for employee benefits relates to amounts expected to be paid for long service leave, annual leave, wages and salaries and are calculated as follows:

(i) Wages, Salaries, Annual Leave and Long Service Leave
(Short-term Benefits)

The provision for employees' benefits to wages, salaries, annual leave and long service leave expected to be settled within 12 months represents the amount the City has a present obligation to pay resulting from employees services provided to balance date. The provision has been calculated at nominal amounts based on remuneration rates the City expects to pay and includes related on-costs.

(ii) *Annual Leave and Long Service Leave (Long-term Benefits)*

The liability for long service leave is recognised in the provision for employee benefits and measured as the present value of expected future payments to be made in respect of services provided by employees up to the reporting date using the project unit credit method. Consideration is given to expected future wage and salary levels, experience of employee departures and periods of service. Expected future payments are discounted using market yields at the reporting date on national government bonds with terms to maturity and currency that match as closely as possible, the estimated future cash outflows. Where the City does not have the unconditional right to defer settlement beyond 12 months, the liability is recognised as a current liability.

PROVISIONS

Provisions are recognised when: The council has a present legal or constructive obligation as a result of past events; it is more likely than not that an outflow of resources will be required to settle the obligation; and the amount has been reliably estimated. Provisions are not recognised for future operating losses. Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognised even if the likelihood of an outflow with respect to any one of item included in the same class of obligations may be small.

INVENTORIES

Inventories are measured at the lower of cost and net realisable value. Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

**NOTES TO THE STATEMENT OF FINANCIAL ACTIVITY
FOR THE PERIOD ENDED 31 MARCH 2022**

**NOTE 2
EXPLANATION OF MATERIAL VARIANCES**

The material variance thresholds are adopted annually by Council as an indicator of whether the actual expenditure or revenue varies from the year to date budget materially.

The material variance adopted by Council for the 2021/22 financial year is \$20,000.

Reporting Program	Var. \$	Var.	Timing/ Permanent	Explanation of Variance
	\$			
Revenue from operating activities				
General Purpose Funding - Other	59,722	▲	Permanent	Financial Assistance Grants higher than budgeted.
Health	(22,486)	▼	Permanent	Reduced income offset by reduced expenses - EHO
Education and Welfare	(36,119)	▼	Timing	Homecare income lower than YTD budget which is offset by lower expenditure. Less Homecare Packages taken up
Recreation and Culture	29,886	▲	Permanent	\$18,500 WA Police Grant - Xmas Street Carnival
Economic Services	(31,555)	▼	Timing	Water Sales lower than YTD budget which is offset by lower expenditure.
Expenditure from operating activities				
Governance	61,402	▲	Timing	Councillor Training/Conferences, Subscriptions and Administration Salaries under YTD budget.
General Purpose Funding	(27,360)	▼	Timing	ESL payments being paid sooner than budgeted
Law, Order and Public Safety	(47,239)	▼	Timing	Water tank project - Other Bushfire Grants
Health	73,160	▲	Permanent	EHO reduced costs due to finalisation of contract. Timinf of IPN payments
Education and Welfare	87,315	▲	Timing	Homecare expenditure lower than YTD budget which is offset by lower income. Lower take-up of packages than budgeted
Community Amenities	48,904	▲	Timing	Great Southern Waste invoicebeing received a month in arrears
Transport	61,353	▲	Timing	Timing of maintenance jobs
Economic Services	64,041	▲	Timing	Caravan Park maintenance under YTD budget.
Other Property and Services	31,535	▲	Timing	PWOH & POC allocation not in line with budget. Non cash item
Investing Activities				
Non-operating Grants, Subsidies and Contributions	(429,563)	▼	Timing	Contract assets/liabilites movement which is offset by capital expenditure.
Proceeds from Disposal of Assets	42,727	▲	Timing	Budget entered into June - items disosed of earlier
Capital Acquisitions	710,835	▲	Timing	Timing of capital works projects - running behind budget
Repayment of Debentures	(42,245)	▼	Timing	Timing of repaymetns running behind budgetd timing

KEY INFORMATION

Trade and other receivables include amounts due from ratepayers for unpaid rates and service charges and other amounts due from third parties for goods sold and services performed in the ordinary course of business.

SIGNIFICANT ACCOUNTING POLICIES

Trade and other receivables include amounts due from ratepayers for unpaid rates and service charges and other amounts due from third parties for goods sold and services performed in the ordinary course of business. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets. Collectability of trade and other receivables is reviewed on an ongoing basis. Debts that are known to be uncollectible are written off when identified. An allowance for doubtful debts is raised when there is objective evidence that they will not be collectible.

SIGNIFICANT ACCOUNTING POLICIES

Rates, grants, donations and other contributions are recognised as revenues when the local government obtains control over the assets comprising the contributions. Control over assets acquired from rates is obtained at the commencement of the rating period or, where earlier, upon receipt of the rates.

SIGNIFICANT ACCOUNTING POLICIES

All assets are initially recognised at cost. Cost is determined as the fair value of the assets given as consideration plus costs incidental to the acquisition. For assets acquired at no cost or for nominal consideration, cost is determined as fair value at the date of acquisition. The cost of non-current assets constructed by the local government includes the cost of all materials used in the construction, direct labour on the project and an appropriate proportion of variable and fixed overhead. Certain asset classes may be revalued on a regular basis such that the carrying values are not materially different from fair value. Assets carried at fair value are to be revalued with sufficient regularity to ensure the carrying amount does not differ materially from that determined using fair value at reporting date.

KEY INFORMATION

All debenture repayments were financed by general purpose revenue.

KEY INFORMATION

All loans and borrowings are initially recognised at the fair value of the consideration received less directly attributable transaction costs. After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the effective interest method. Fees paid on the establishment of loan facilities that are yield related are included as part of the carrying amount of the loans and borrowings.

Principal Repayments	\$42,245
Interest Earned	\$12,102
Reserves Bal	\$1.71 M

FILE REFERENCE:	FM.BU.1
ATTACHMENTS:	Budget Review 21/22 (Under Separate Cover)

OFFICER RECOMMENDATION / COUNCIL RESOLUTION 4762

Moved Cr G R Ball

Seconded Cr G K B West

That Council adopts the Budget Review for the Shire of Wagin from 1 July 2021 to 31 March 2022, note the potential budget variances in the review and forward a copy of the review to the Department of Local Government.

Carried by Absolute Majority 6/0

BRIEF SUMMARY

A budget review has been developed for consideration and adoption by Council.

BACKGROUND/COMMENT

The Local Government (Financial Management) Regulations 1996 require that each Local Authority conducts an annual budget review:

33A. Review of budget

- (1) Between 1 January and 31 March in each financial year a local government is to carry out a review of its annual budget for that year.
- (2A) The review of an annual budget for a financial year must —
 - (a) consider the local government's financial performance in the period beginning on 1 July and ending no earlier than 31 December in that financial year; and
 - (b) consider the local government's financial position as at the date of the review; and
 - (c) review the outcomes for the end of that financial year that are forecast in the budget.

- (2) Within 30 days after a review of the annual budget of a local government is carried out it is to be submitted to the council.
- (3) A council is to consider a review submitted to it and is to determine* whether or not to adopt the review, any parts of the review or any recommendations made in the review.

*Absolute majority required.

- (4) Within 30 days after a council has made a determination, a copy of the review and determination is to be provided to the Department.

The budget review is for the period 1 July 2021 to 31 March 2022 and has considered all operational and capital areas of Council. The review has compared year-to-date figures to budgeted figures and projected 30 June figures to ensure accounts are tracking in line with the budget. Where changes and variations are known, these changes have been incorporated to ensure that the desired financial result is achieved by Council.

The following is a summary of the predicted variances (minor projected variances of **(\$4,577)** not listed:

Carried Forward Surplus	No change
Operating Revenue	76,550
Operating Expenditure	132,588
Non-operating Grants, Subsidies & Contributions	(39,674)
Proceeds from Disposal of Assets	9,477
Capital Acquisitions	36,166
Transfer from Reserves	No Change
Transfer to Reserves	(28,268)
Total Surplus (Deficit)	182,262

The increased operating revenue is mainly attributable to the increase in the Financial Assistance Grants for 2021/22. The actual figures were not available at the time of budget formulation.

The reduction in operating expenses is due to reduced costs within Homecare operations due to a lower uptake of homecare packages than anticipated, reduced costs of EHO operation and reduced administration employee costs.

Capital Operations - The Plant Replacement Program has been adjusted to reflect that the street sweeper is no longer being replaced and also that the old Building Maintenance officer's ute has been transferred to Homecare operations rather than being traded-in against the new one. Homecare have paid the net changeover cost so as to be cost neutral to Council. The Regional Road Group Funding was actually higher than shown in the original budget but this is offset by the increase in Capital Expenditure on the projects. The approved expenditure on the NAB building has been included. Expenditure on the Sportsground Precinct Redevelopment has been reduced from \$60,000 to \$20,000 and the \$40,000 will be transferred to back to reserve

Council need to be mindful that the estimated surplus calculation of \$182,262 is a prediction only, this will change depending on events and decisions that affect Council's finances over the following months to 30 June 2022.

OFFICER RECOMMENDATION/4763 COUNCIL RESOLUTION

Moved Cr G K B West

Seconded Cr M A O'Brien

That Council receive the Chief Executive Officers report for March 2022.

Carried 6/0

BRIEF SUMMARY

1. UPDATE AND CONCLUSION – PROPOSED INSTALLATION OF TELECOMMUNICATIONS TOWER – SHIRE ADMINISTRATION BUILDING. FSG SOLUTIONS GROUP PTY LTD (FSG)

Council will recall the proposal by FSG to install a telecommunications tower on the Shire administration building. This was to enable the proponent to access internet fibre capacity in Wagin in order to beam this wirelessly to Dumbleyung, to provide fixed wireless broadband services for the Dumbleyung community and the downstream communities of Kent and Lake Grace.

Council at its meeting of the 7th April 2021 resolved:

1. *That Council advise the proponent that it has no objection to the installation of telecommunications network equipment at the Wagin Shire Administration Building, subject to the proponent:*
 - a) *Bearing all costs and obtaining any other approvals associated with the installation and maintenance of the equipment.*
 - b) *Indemnifying the Shire of Wagin against any costs, claims or damages associated with the installation and maintenance of the equipment.*

- c) *Making good and remedying any adverse impacts caused by its equipment to any part of the building, existing equipment thereon and/or any electrical or other interference to existing telecommunications or other infrastructure situated on or around the Shire Administration Building.*
 - d) *Accepting that should the equipment result in any adverse issues associated with the communications, infrastructure, and operations of the Shire of Wagin, that the equipment be decommissioned and removed within 30 days of notice being given.*
2. *That the CEO investigate the implications and viability of taking up the proponents offer of providing an internet service to the Shire at a 30% discount.*
 3. *If negotiations can be satisfactorily concluded, then the agreement to prevail whilst the telecommunications infrastructure remains in situ on the Shire Administration building.*
 4. *That the placement of the proponent's infrastructure be governed by way of a formal contract between the proponent and the Shire of Wagin.*

Over the intervening 12 months attempts have been made to clarify intended contractual arrangements and the implications associated with the Shire retaining its current internet service with Telstra, compared to the service offered by the proponent. A recent follow up by the Shire as to the status of this proposal prompted a response from FSG that it has since put in place an alternative backhaul solution which means that the proposal to utilise the Shire administration building to accommodate telecommunications network equipment, is no longer required.

2. DISCUSSION ON STAFF HOUSING OPTIONS

Council may wish to give some consideration towards reviewing its current housing stock with a view to selling one or more residences them to help fund the construction of new staff housing.

Council owns the following properties:

1. 5 Marks Court – Allocated as the CEO's residence (Currently leased to the Department of Communities and Housing and occupied by the Sergeant of Police)
2. 2 Ballagin Street – Allocated as the Deputy CEO's residence
3. 12 Gordon Street - Allocated as EHO/Building Surveyors residence
4. 32 Ballagin Street
5. 5 Omdurman Street
6. 5 Arnott Street

The first three residences listed are in good condition and fit for purpose. The remaining three residences whilst in reasonable condition, have for the most part been occupied by single residents and could be contention if Council decided to embark on an upgrade program.

One of the most expedient ways for a Local Government to attract more people to town is to sell off its old housing stock and build replacement housing. This is preferable to simply purchasing existing newer housing which does not of itself add any economic impetus to the Shire.

Given that the majority of employees now only require accommodation for singles, couples or small families, there would be some merit in building new housing to fit demand, (i.e., 3 x 1 units) rather than continue what has been common practice in building 4 x 2 housing in the (generally failed hope) to attract employees with large families. In addition to providing smaller, lower maintenance housing units, this would also enable multiple dwellings to be situated on the same Lot which would also be a more efficient use of resources.

There are several serviced residential Lots available in town, some of which already belong to the Shire and others of which are well located and range in price from \$22000 for a single Lot through to \$70,000 for Lots of 2000 m2.

Funding a development would be by way of utilising the Shires Housing Reserve Fund (which will have a balance of \$300,000 at the end of June 2022 and the sale of one or more of the Shires existing residences.

The purpose of this item is to generate discussion after which a more comprehensive report could be prepared, pending interest.

3 PLAQUE UNVEILING CEREMONY – BETTY TERRY COMMUNITY THEATRE

On Thursday the 7th April 2022, the Shire joined with the Betty Terry Community Theatre Inc (BTCT) to host a plaque unveiling ceremony to acknowledge the contribution of Frank and Elizabeth Terry who brought movies to Wagin from 1963, up until Frank's passing in 2020.

It was a pleasant and well attended function which comprised of the unveiling of the plaque by President Cr Phil Blight and Mrs Di Dohle, followed by afternoon tea. Addresses were given by Mrs Kathleen Kellow and Mrs Irene Lloyd on the contribution of their parents, Frank and Elizabeth, the screening of an interview with Frank Terry on his life and times in Wagin, and some excerpts from interviews with long term Wagin residents who have participated in the Shire's *Wagin Conversations* (oral history) initiative.

Appreciation is extended to members of the BTCT Inc and the Shire staff involved in organising the event and ensuring its success.

STATUTORY/LEGAL IMPLICATIONS

POLICY IMPLICATIONS

Title:	22. TEMPORARY EMPLOYMENT OR APPOINTMENT OF ACTING CHIEF EXECUTIVE OFFICER (CEO)
Objective:	To provide clear guidance on the provisions that apply to the appointment of a person as Acting Chief Executive Officer (A/CEO) for the period of less than one year; and in periods of extended leave or absences appoint a person to perform the duties of the Chief Executive Officer.
Policy Statement:	Policy Statement

Section 5.36 of the *Local Government Act 1995* requires that local government is to employ a CEO and such other persons as the Council believes are necessary to enable the function of the local government and the functions of Council to be performed.

Section 5.39 of the Act (amended in July 2019) requires the Shire to have a policy on the temporary employment of a CEO. On the basis, where a CEO is to be externally recruited for periods of less than one year, Council approval shall be required for the recruitment process and the appointment of any recommended candidate.

In accordance with Section 5.36(2) & 5.37(1) of *the Local Government Act 1995*, all Senior Employees employed by the Shire are considered to be suitably qualified to act in the position of Chief Executive Officer and the Deputy Chief Executive Officer is designated as a Senior Employee for the purposes of the Act.

Procedures

Appointment of Acting CEO for period of less than one year

Where an Acting CEO is to be externally recruited, Council approval shall be required for the recruitment process and the appointment of any recommended candidate as per Shire's Administration Policy #1.

Appointment of Senior Employee as Acting CEO, in the event of extended absences by current CEO

In the event of planned absences (e.g. Annual or Long Service Leave) of greater than 5 days an appointment of an Acting CEO is made through a Council Resolution.

In the event of unplanned absences (e.g. Sick or Personal Leave) of greater than 5 days,

Council will be required to hold a Special Council Meeting where DCEO or other designated Senior Employee will be appointed by Council Resolution.

Appointment to the role of Acting CEO must be confirmed in writing and requires an absolute majority vote.

In all the circumstances outlined above any Senior Employee who is appointed Acting CEO will receive the same salary (cash component) as the CEO's current salary whilst acting in this position.

OFFICER RECOMMENDATION/4765 COUNCIL RESOLUTION

Moved Cr B S Hegarty

Seconded Cr G K B West

That Clause 2.17 of the adopted Code of Conduct for Employees have the following sentence added:

'This clause does not apply to volunteers who might be deemed to be employees under the Work Health and Safety Act 2020, or any other State based legislation or subsidiary legislation (Regulation).'

Carried 6/0

BRIEF SUMMARY

This report recommends that the requirement of employees (workers) to not engage in secondary employment without receiving the prior written approval of the CEO not apply to volunteers

BACKGROUND/COMMENT

The State Government's new Work Health and Safety Act 2020 commenced in January 2022 and will impact on the Shire's bushfire volunteers and Local Governments through the new *Industrial Manslaughter* regulations. It is understood that all registered bushfire volunteers (and possibly anyone on a fireground attempting to fight a fire) to be deemed to be "employees" of the Shire, thereby placing direct responsibility on the Shire to provide a safe workplace; in this case the fireground wherever that may be. There is also a responsibility to ensure that volunteer firefighters are sufficiently trained to carry out their role.

Clause 2.17 of the Shire of Wagin Code of Conduct for Employees provides:

An employee must not engage in secondary employment (including paid and unpaid work) without receiving the prior written approval of the CEO.

The Shire of Wagin (along with probably most other Local Government's within the State), have never subscribed to any interpretation that volunteers are employees of the Shire, however, is bound to comply with the law as it stands. It is believed that it is an unnecessary imposition on volunteer firefighters (or any volunteers for that matter) to have to seek approval to engage in secondary employment when their normal

employment arrangements have nothing to do with the Shire. For the purposes of addressing this within the Code of Conduct, Clause 2.17 which states “An employee must not engage in secondary employment (including paid and unpaid work) without receiving the prior written approval of the CEO”, could have the following words added:

This clause does not apply to volunteers who might be deemed to be employees under the Work Health and Safety Act 2020, or any other State based legislation or subsidiary legislation (Regulation).

CONSULTATION/COMMUNICATION

Cr Phillip Blight – President.

STATUTORY/LEGAL IMPLICATIONS

Work Health & Safety Act 2020

7. Meaning of worker

- (1) A person is a **worker** if the person carries out work in any capacity for a person conducting a business or undertaking, including work as —
- (a) an employee; or
 - (b) a contractor or subcontractor; or
 - (c) an employee of a contractor or subcontractor; or
 - (d) an employee of a labour hire company who has been assigned to work in the person’s business or undertaking; or
 - (e) an outworker; or
 - (f) an apprentice or trainee; or
 - (g) a student gaining work experience; or
 - (h) a volunteer; or**
 - (i) a person of a prescribed class.

4766 COUNCIL RESOLUTION

Moved Cr G R Ball

Seconded Cr W J Longmuir

That no action be taken to install speed indication devices in Tudhoe Street at this time and Main Roads WA be consulted on the way to address traffic issues.

Carried 6/0

Reason for Difference – Council believes Main Roads WA need to be consulted.

BRIEF SUMMARY

This report offers alternative recommendations

BACKGROUND/COMMENT

Council at its meeting of the 22nd February 2022 adopted the following recommendation from the Works and Service Committee:

That speed monitors be placed in Tudhoe Street to ascertain the extent of vehicles exceeding the 40kph speed limit, after which the idea of installing digital speed signs be referred to Council for a decision.

Road traffic counters were placed in close proximity of the 40KPH signs at the western and eastern approaches to the main business section of Tudhoe Street from the 7th to the 22nd March 2022. The results show that vehicles travelling over the counters placed at the eastern end, over 16% were exceeding the 40 KPH limit by more than 10 KPH and vehicles travelling over the counters at the western end, on the eastern approach, nearly 57% were exceeding the 40 PPH limit by more than 10 KPH. This demonstrates that there are driver behavioural issues with many motorists not observing the obligatory 40 KPH signs.

This information has been conveyed to Wagin Police and local Sergeant Simon Bickers has advised:

“Wagin Police will be taking an active role in addressing this issue. I have a very low tolerance for drivers deliberately flouting our laws and putting people’s lives at risk.”

Matters to consider:

- Whether or not the installation of speed indication devices will make an appreciable difference to the behaviour of offending motorists.
- The cost of purchasing and maintaining the speed indication devices (refer to attachment).
- The fact that Main Roads WA approval is required to instal these devices (Refer to attached correspondence from Main Roads WA which although applying to local roads, on advice, would also apply to Main Roads).
- The fact that Main Roads WA view speed indication devices as a temporary measure after which additional complementary treatments should be considered to lower operating speeds.
- Staff time and input into managing operation and maintenance of the devices.

This matter, along with the media interest it has generated, has brought into focus the wider matter of the volume and type of traffic travelling through Tudhoe Street. Using data from the east end counter, it shows that over a 15-day period, there were 1811 vehicles per day were recorded, of which 692 vehicles comprised of 3 axle articulated or rigid vehicles and trailers up to triple road trains or heavy trucks and three trailers. Concerns have been expressed about the impact that this volume of traffic is having on the amenity of Wagin and whether the frequency of (particularly non local) truck/trailer movements through town are acceptable or sustainable.

Other concerns expressed to the Shire include:

- Truck/trailer configurations turning left into Tudhoe Street off Trent Street. Even though Ballagin and Trent Streets are not Restricted Access Vehicle (RAV) routes several drivers continue to use these streets and when turning left into Tudhoe Street, in order to manoeuvre their vehicles, have to cross over the centre line of Tudhoe Street into oncoming traffic, before straightening up and resuming their journey on the left-hand side of the road. Breaches have been reported to the Heavy haulage section of Main Roads WA and warnings have been issued to offenders. It still however continues to happen. (Refer to attached photo)
- The movement of truck/trailer configurations accessing Tudor Street off Tudhoe Street. In order to navigate this T junction, trailers behind prime movers cut the corner, thereby necessitating vehicles accessing Tudhoe Street from Tudor Street to hang well back from where a holding line would normally be when these truck/trailer movements occur. (There is no holding line, as it is supposed that if there was and a collision occurred, then Main Roads WA could face potential liability claims).
Again, the future sustainability of this situation will need to be addressed at some stage.

This has obviously been a long- standing issue as evidenced by a 2009 report entitled “*Heavy Haulage Routes Review – Wagin Townsite*” which was prepared for Main Roads WA Wheatbelt South Region and the Shire of Wagin.

As traffic movement through town has strategic implications for the Shire, Council may wish to revisit this when developing the Shire’s *Strategic Community Plan* in the coming months.

CONSULTATION/COMMUNICATION

Main Roads WA - A/Road Services Officer 9 Speed Zoning).

STATUTORY/LEGAL IMPLICATIONS

Main Roads WA – *Vehicle Activated Signs Policy and Guidelines*.

Local Government Act 1995 - s 6.8(1) (b) – *Expenditure from municipal fund not included in annual budget*.

POLICY IMPLICATIONS

Nil

FINANCIAL IMPLICATIONS

Purchase set up and installation costs for two devices has been quoted at \$23,440 (excluding GST and traffic management during installation). Recurrent annual remote access costs are currently \$480 per device. Annual maintenance costs have not been quantified.

STRATEGIC IMPLICATIONS

Nil

VOTING REQUIREMENTS

Absolute Majority if decision is made to purchase the speed indication devices in the current financial year.

Simple Majority if the decision is taken not to install speed indication devices.

Enquiries: Mr Seung Jo, A/Road Services Officer (Speed Zoning), 08 9323 6233
Our ref: 15/4721
Your ref: 05-001-03-0003\MB

Chief Executive Officer
Shire of Wagin
PO Box 200
Wagin WA 6315

Dear Bill Atkinson

SPEED INDICATION DEVICES

Main Roads recognises that Speed Indication Devices (SID) are an important tool in effectively reducing travel speeds on both state and local roads in Western Australia.

In October 2021, Main Roads approved a new *Vehicle Activated Signs Policy and Guidelines*, which stipulated (as per the requirements of Regulation 297 of the *Road Traffic Code 2000*) that the installation of all Vehicle Activated Signs, including SID, must be approved by the Commissioner of Main Roads.

The Commissioner of Main Roads may however allow an authorised body to install particular types of road signs, in line with the new Policy. In this regard, it has been decided to delegate this function to Local Government.

Under this delegation, I can confirm that Shire of Wagin has authority to erect, establish, alter and remove SID on local roads under its control, subject to the following conditions being applied:

New signs

- SID are only to be considered for temporary use on local roads or for temporary road works for an initial maximum period of 12 months. SID can also be installed as part of an area-wide speed reduction initiative as a temporary measure.
- SID should only be used in locations where there is an identified speed compliance issue, as use at sites where speed compliance is not a concern can diminish the devices' effectiveness.
- SID shall only be located where the device will not interfere with the comprehension of existing traffic control devices.

Existing signs

- After a period of a maximum of 12 months (from the date of installation), Council may elect to either relocate to another appropriate location or remove existing signs.
- Where a SID has been erected at a location for 12 months, and the operating speed remains at >10 km/h above the speed limit, Council should investigate additional complementary treatments (in line with the current speed zoning policy), to lower the operating speed.

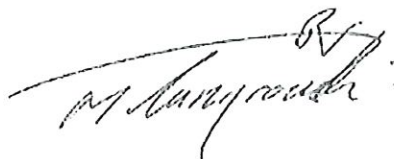

Sign Display Requirements

- When a driver is travelling under the legal speed limit, the speed at which they are travelling and/or a symbol/message affirming the positive driver behaviour can be displayed.
- If a driver is identified travelling above the legal speed limit, the SID must not display the vehicle speed. In this case, a message (e.g. "Slow down") or symbol should be used to influence drivers to reduce their speed.
- SID must not display any messaging that replicates a regulatory traffic sign.

To support the new arrangement, Council shall maintain a register of all SID installations and make available on request, to allow Main Roads to ensure compliance with the requirements of the Vehicle Activated Signs Policy and Guidelines. Main Roads retains the right to direct Council to remove any non-compliant SID.

Please be assured that Main Roads is committed to providing a safe road network for all road users and will continue to provide technical advice to councils where applicable. Should you require any further information, please contact the enquiries officer above.

Yours sincerely

Mehdi Langroudi

AD322 Radar Speed Displays (RSD)

AD322 Radar Speed Displays (RSD) feature an ultra-bright LED display (24x16 pixels at 25mm pitch) integrated with radar speed sensor and data logger for traffic analysis. It provides motorists with a direct indication of their vehicle's speed and an effective trigger (message) to warn them about their speed. The radar can be set to trigger the display when vehicles are above the set limit. Ranges can be set with different responses message (up to 2 lines of 4 characters can be displayed).

Our Radar Speed Display can be controlled remotely or locally and can be used for dual speed zones (e.g. school zones) via time and day selector. It can be mains or solar powered and it is designed to be easily mounted to a pole using clamps.

The Radar Speed Display that we produce has a robust weatherproof and vandal resistance design to ensure low maintenance requirements and a long service life. It is ideal for Australia's harsh environmental conditions.

An optional high speed camera with invisible infrared flash can be fitted to allow images to be recorded to a SD card of vehicles detected over the speed limit.

Features

- Smile or Frown can be displayed
- Ultra-bright LED full matrix display 24x16 pixels at 25mm pitch
- Integrated radar speed sensor
- Data logger for traffic analysis
- Low maintenance high quality powder coated aluminum enclosure
- Weatherproof & vandal resistant display
- On-site or remotely programmable
- Can be used for dual speed zones e.g. School zone via time & day selector
- Dimensions (W)670mm x (H)900mm x (D)190mm
- Easy to use software to set time, ranges and custom messages

Optional

- Solar power option for continuous in-field use
- 3G/4G remote communication / programming
- GPS positional information (also updates time clock)
- High speed camera to capture vehicles exceeding limit

AD322 Speed Radar Display (RSD)

WHY AD ENGINEERING?

A.D. ENGINEERING INTERNATIONAL
MAKE IT HAPPEN

1. AUSTRALIAN ENGINEERED & MANUFACTURED

A.D. Engineering International is Australia's leading manufacturer of high quality electronic equipment for the road traffic ITS industry. Over the last 40 years we have specialised in the design, manufacture and supply of Electronic Signs, Signals, and Displays to provide information, traffic control and road safety. We are not an importer of electronic equipment - we design and manufacture 100% in Australia. We have many years of experience researching, designing and testing the ideal components for our products, which are designed for and ideally suited to Australia's harsh environmental conditions.

2. PRODUCTION AND MANUFACTURING FACILITIES

A.D. Engineering International combines the latest design software with state-of-the-art manufacturing and assembly equipment to produce a full range of electronic products, we are located at 1 McDowell St, Welshpool. We are now apart of the Jason Signmakers Group.

3. WORKING WITH AUSTRALIA'S TOP COMPANIES AND GOVERNMENT DEPARTMENTS

Our highly skilled and experienced team have successfully completed over 1000 turnkey projects to date for various Local, State and Federal Government Departments, including the Road, Rail and Aviation sectors, and the Education and Health departments. Also Private Sector organisations in Australia and overseas including the Engineering, Construction, Mining, Transport, Manufacturing and Retail industries.

WHAT WE STAND BY

A.D. ENGINEERING INTERNATIONAL
MAKE IT HAPPEN

Our goal is to work closely with you on your operation as a trusted and reliable manufacturer of high-quality electronic equipment for the road traffic ITS industry.

Our continued partnership with our clients is recognition of our high-quality products, reliable performance and commitment to our clients and the community. Our products are different from our competitors' because we guarantee:

- ✓ Superior quality
- ✓ Longest service life
- ✓ Ongoing support
- ✓ Low maintenance costs
- ✓ 2-year default warranty
- ✓ Value for money

When quality, performance and product life count, we're there to help!

We are committed to producing innovative, reliable electronic equipment with the longest service life to meet your project specific requirements.

We provide our clients with ongoing support and service for the life of the product.

We are committed to delivering to your timeline. We understand short project lead times can become a necessity.

Safety Instructions

Dangerous voltages are present in the mains powered versions of A.D. Engineering International products. All 240VAC connections and servicing should be carried out by a licenced electrical contractor.

Refer all servicing to qualified service personnel. Servicing is required when the unit has sustained damage or if the unit does not operate normally.

Always exercise care when lifting items. Avoid lifting heavy and awkward items on your own.

General Description

The AD322 has been designed to provide extended service life with minimum maintenance requirements. This document outlines the maintenance schedule for the AD322, failure to follow this may decrease the service life and or reliability of the AD322.

Tools for Maintenance

There are certain tools which the technician will need to complete the maintenance cycles. All technicians should wear contractor or worksite specific PPE.

6 Monthly Maintenance:

- Cloth and or water for dust/dirt removal
- Multi-meter
- Keys for access to equipment (top cabinet key, battery compartment key)
- Ladder or EWP

Annual Maintenance:

The annual maintenance requires the same tools as used for the 6-monthly maintenance.

Maintenance Plan

6 Monthly Maintenance:

AD322 Element	Maintenance Task	Frequency	Jun	Jul	Aug	Sept	Oct	Nov	Dec	Jan	Feb	Mar	Apr	May
SOLAR PANEL

12.1.5 RURAL AID COMMUNITY BUILDERS PROGRAM – INVITATION FOR WAGIN TO PARTICIPATE

PROPONENT:	Mr Peter Kenyon – <i>BANK OF IDEAS</i>
OWNER:	N/A
LOCATION/ADDRESS:	N/A
AUTHOR OF REPORT:	Chief Executive Officer
SENIOR OFFICER:	Chief Executive Officer
DATE OF REPORT:	11 th April 2022
PREVIOUS REPORT(S):	N/A
DISCLOSURE OF INTEREST:	N/A
FILE REFERENCE:	CR.SP.1
ATTACHMENTS:	<ul style="list-style-type: none">• Email Correspondence – Mr Peter Kenyon – <i>BANK OF IDEAS</i>• Program Overview and Key Benefits

OFFICER RECOMMENDATION/4767 COUNCIL RESOLUTION

Moved Cr G R Ball

Seconded Cr G K B West

That Council support the participation of local representatives in the Rural Aid Community Builders Program.

Carried 6/0

BRIEF SUMMARY

This leadership program seeks to support local community builders within a defined cluster of communities, to better understand and build their local regional community and economy. It is proposed to develop a cluster of selected towns within the region to participate in the program.

BACKGROUND/COMMENT

Attached correspondence refers. The objective is to identify between 3 and 6 key people in each of the participating communities to join with their counterparts in other towns to develop leadership skills, aligned to equipping them to increase their effectiveness in developing community and economic development. Wagin has been identified as potential participant in the program.

One of the drivers of this program is the fact that the impacts of Covid-19 are believed to have fragmented community cohesion and volunteer input. It is hoped and expected that this program will assist in reinvigorating volunteer uptake and commitment towards making their respective communities more vibrant.

The program is fully funded by *Rural Aid Australia* and the extent of the Shires involvement will be to offer tacit support and to provide the occasional venue for meetings.

CONSULTATION/COMMUNICATION

Mr Peter Kenyon – *BANK OF IDEAS*

STATUTORY/LEGAL IMPLICATIONS

Nil

POLICY IMPLICATIONS

Nil

FINANCIAL IMPLICATIONS

The provision of venues for meetings would be deemed to be an in-kind contribution from the Shire.

STRATEGIC IMPLICATIONS

Nil

VOTING REQUIREMENTS

Simple Majority

Possibility of a Regional Community Builders Program

The national charity, Rural Aid, are currently exploring with the assistance of Peter Kenyon, Director., Bank of I.D.E.A.S., the potential of a potential launching a grassroots regional leadership development initiative called the Community Builders Program. The Community Builders Program simply seeks to support local community builders within a natural and connected cluster of communities to better understand and build their local and regional community and economy. The attached Flyer outlines its simple dynamics and purpose and what Rural Aid are offering in terms of its reintroduction into one cluster of WA rural communities. One proposed cluster is the set of communities comprising the South Central Wheatbelt- Wagin/Dumbleyung/Darman through to Brookton/Pingelly and Wandering/Williams to Wickiepin.

The support of the Shire of Wagin is sought in advocating this cluster to ensure its selection. All financial costs in establishing and facilitating the Program would be met by Rural Aid (i.e., no financial implication for the Shire). The Shire's key role would be in working with local groups to form a local Wagin Community Team (3 to 6 persons), and possibly hosting one of the six training days in the town.

THE COMMUNITY BUILDERS PROGRAM

*If you want a year of prosperity, grow grass.
If you want ten years of prosperity, grow trees.
If you want 100 years of prosperity, grow people.*

Scott's Bluff Leadership

Overview

The Community Builders

Program represents a grassroots leadership program that seeks to support local community builders within a defined cluster of communities to better understand and build their local and regional community and economy.

The earliest version originated in the early 1990's in the US state of Nebraska, based on five observations by a rural historian called Professor Robert Manley: namely-

- **The key to economic success in rural communities is tied directly to investment in community leadership;**
- **While agriculture is, and will remain an important part of most rural economies, it no longer holds life and death power over a community's future;**
- **There are two types of leadership exist in every community – formal identified leaders who usually represent a constituency and have position; and community ‘mover and shakers’ – community builders who usually work from passion rather than position;**
- **There is a need to bring together community residents who are excited about making things happen in their community; and**
- **The importance of community cooperation, of communities beginning to interact, discover each other and work together to achieve social and economic goals.**

The first **Australian Community Builder Program** occurred in Western Australia in 1997 as part of “Doing More with Agriculture” initiative following a ‘Small Town Study Tour’ to Nebraska, and by 2000 there were cluster programs happening in most WA regions. In 2000, a state-wide program was introduced in South Australia. Subsequently versions of **the Community Builder Program** have occurred in a diverse range of regions across Australia.

Rural Aid as a national charity is committed to supporting farmers affected by natural disasters. It also recognises the need to create more sustainable local rural communities and is keen to see the expansion of **the Community Builder Program** across Australia. In 2022,

It isn't enough for a town to have good leadership. Communities also must have people – Community Builders – who vigorously encourage and support a wide range of activities which benefit the community. These builders aren't self-serving. They're interested in improving and perpetuating their communities. Find a community with both leaders and builders and you'll find a community that works'

Prof Robert Manley

Key Benefits

Program Goals:

- Provide the necessary information, skills, tools, motivation, confidence and passion to positively manage community change.
- Encourage new thinking about ways to better support and nurture social and economic development at local and regional levels.
- Stimulate collaboration between communities and create peer support networks and friendship links across a region.

Never doubt that a small group of thoughtful, concerned and committed citizens can change the world! For indeed it is the only thing that EVER has!

Typical Program Elements:

- Six month action learning experience, involving a monthly one day 'cluster muster'.
- A cluster of connected communities constitute the geographical regional basis.
- Between 6 – 10 communities create a cluster.
- Each community is represented by a 3 to 6-member team.
- Bank of I.D.E.A.S. is responsible for coordinating the learning experience including input of the necessary technical expertise.
- A local parttime Cluster Coordinator working 50 hours per month manages arrangements and connections in each cluster.

Learning Program Components:

- Monthly 'cluster muster' workshops days with learning program priorities determined by participants at initial meeting.
- Resource handbook.
- Community asset mapping experiences.
- Individual community team meetings
- Community project.
- Access to additional skills development opportunities.
- Final celebration event.
- Formulation of community action plans following completion of six-month learning program.

Typical Monthly Cluster Muster Workshop Day:

- 'First Impressions' tour of host community - feedback to hosts.
- Informal sharing over refreshment breaks.
- Resource information session.
- Interactive workshop experience focusing on participant identified learning priorities. Past Community Builder Program themes have included the following:
 - *Getting a community working together and excited about change.*
 - *Engaging young people.*
 - *Asset mapping a local community.*
 - *Working with local media.*
 - *Establishing a community 'Business Expansion and Retention Program'.*
 - *Developing a local tourism strategy.*
 - *Plugging spending leaks in the local community.*
 - *Fostering community pride and economic development through heritage.*
 - *Building a positive community mindset.*
 - *Understanding my strengths.*
 - *Developing public speaking skills.*

Program Strengths:

- Action learning nature of program structure and processes.
- Program flexibility.
- Grassroots ethos - driven and designed by participants themselves to achieve their priority learning requirements.
- Strong Asset Based Community Development (ABCD) emphasis - focus on 'inside out' development.
- Peer networking and monitoring.
- Program expectation to learn about one's community and become involved in building its future.
- Focus on learning from stories of positive change from other small rural communities.
- Demonstration over a long period of participant and community positive change action following Community Builder involvement.
- Development of a local action plan.

Personal Benefits of Participation:

- Gaining a better understanding of one's community and region, and what is needed to build a more positive rural future.
- Developing the knowledge base, skills and mindset to be more effective in community and economic development.
- Discovering the wide range of strategies, resources and stories which other communities are utilising to achieve healthy and vibrant futures.
- Learning how to identify, map, connect and mobilise the diverse range of community assets and capacities; access appropriate development resources; build collective partnerships; and involve other residents and groups in community and economic development initiatives.
- Working and networking collaboratively with neighbouring communities in regional development activities.
- Having fun in a wide range of team building experiences and activities.

I'm involved with Community Builders because the fading history of our town is too great to be ignored and the future too exciting. The camaraderie and participation with other communities makes this program so vitally stimulating'

Salli Vaughan
Kendenup | WA

“

I have met and made friends with an awesome group of people whom I know that I ordinarily would never have met. The six months that made up the Community Builders Program was a blast and it was a shame that it had to come to an end. Or did it?

Heidi Hotka

Contribution by Rural Aid:

Funding to enable the creation of clusters in 2022 -

- Program promotion, establishment, operation and coordination.
- Resource person involvement.
- Employment of Cluster Coordinator.
- 'Cluster Muster' catering costs.
- Development and provision of program Handbook.
- Linkage to other development resources and experiences.
- Production of copies of local action plans following completion of 6-month learning program.

Role of Bank of I.D.E.A.S.:

- Promotion of the Program.
- Identification of the Cluster sites.
- Recruitment of participating communities and community teams.
- Facilitation and resourcing of the monthly 'Cluster Muster' learning experiences.
- Access to other relevant learning and development resources and experiences.

12.2 DEPUTY CHIEF EXECUTIVE OFFICER

12.2.1 DEPUTY & ACTING DEPUTY CHIEF EXECUTIVE OFFICERS REPORT – APRIL 2022

PROPONENT:	N/A
OWNER:	N/A
LOCATION/ADDRESS:	N/A
AUTHOR OF REPORT:	Acting Deputy Chief Executive Officer/ Deputy Chief Executive Officer
SENIOR OFFICER:	Chief Executive Officer
DATE OF REPORT:	13 April 2022
PREVIOUS REPORT(S):	17 March 2022 (DCEO)
DISCLOSURE OF INTEREST:	Nil
FILE REFERENCE:	CM.CO.1
ATTACHMENTS:	Updated Overview of IPR Process

OFFICER RECOMMENDATION/4768 COUNCIL RESOLUTION

Moved Cr G K B West

Seconded Cr G R Ball

That Council receive the Deputy Chief Executive Officer's report for April 2022.

Carried 6/0

BRIEF SUMMARY

The following report details the activities that fall under the control of the DCEO for the month of April.

BACKGROUND/COMMENT

CORPORATE SERVICES

Integrated Planning and Reporting – Strategic Community Plan

What have we done?

1. To date, the community survey has returned 67 surveys via online and hard copy. To increase the number of surveys completed, the survey period has been extended.
2. Promotion of engagement through community functions (for example, *CommuniTEA Hub* survey distribution; social media and official website promotion; engagement with sports clubs).

The next steps

The Integrated Planning and Reporting Advisory Standard requires 500 persons or 10% of community members to contribute to two documented consultation mechanisms. To include the survey results as a documented mechanism, timeframes have been extended and additional community consultation planned to support the review process.

The Chief Executive Officer, Deputy CEO and Acting Deputy CEO met recently and propose the following to support additional community consultation and ensure greater diversity in community input:

- April 2022 Extension of community survey closing date until 26 April 2022
- May 2022 Tailored workshops with targeted audiences to capture additional input
- June 2022 Collaboration with *CommuniTEA* Hub and Peter Kenyon
- July 2022 Compilation of learnings by senior management
- Aug/Sept 2022 Document preparation
- Oct/Nov 2022 Draft Strategic Community Plan
- Following approval by Council, the vision and community objectives will be integrated with other Council plans.

Sportsground Precinct Redevelopment Update

At its March 2022 ordinary meeting, Council resolved that the Sportsground Precinct Redevelopment was most likely to be a staged proposal. Further, Council resolution 4743 requested 'That the Shire approach all clubs currently part of the Sportsground redevelopment proposal to confirm commitment to the project and to indicate the level of financial contribution that they may be able to make to stage one.'

The acting Deputy Chief Executive Officer (DCEO) contacted each club represented on the Sportsground Precinct Redevelopment Steering Committee, initially by 'phone with the offer of a meeting and then in writing, providing an extract of Council resolutions from 22 March as well as a written request for an indication of commitment to the proposed project and possible financial contribution over 12 and 24 months. Community and Council members of the Steering Committee were provided with the same material to ensure procedural transparency and all clubs were offered confidentiality on request.

This request was reaffirmed to remind stakeholders of the timeline for feedback and a renewed offer to meet in the event of questions or issues requiring exploration.

The acting DCEO attended a meeting of the Wagin Bowling Club membership 6 April to present confirmation of Council's request and answer any questions from the floor. Approximately 30 persons attended the meeting with a very good discussion of the club's particular circumstances, the shared clubroom proposal and future playing ground needs. An invitation to participate in the community survey for the Strategic Community Plan was also made.

Seven organisations are members of the Sportsground Precinct Redevelopment Steering Committee, as well as two councillors and two community members. Each organisational member and community member has been invited to make a submission for collation with this item. Submissions were requested to be received by 9am Wednesday 13 April.

By that time, seven submissions had been received from the following:

- Wagin Hockey Club (1 April) with a clear commitment to the project and a willingness to financially contribute.

- Wagin Bowling Club (11 April) indicating a favourability toward the project but no commitment to the proposal or to making a financial contribution pending the addressing of seven (significant) areas of concern.
- Wagin District Cricket Club (12 April) indicating commitment to the Committee process and a need for a clear pathway forward. Minimal ability to contribute financially.
- Wagin Trotting Club Inc. (12 April) indicating clear commitment to the Steering Committee process; main issue for this club is continued access for trotting activities; the club has other funding priorities at this time including support for the volunteer ambulance brigade; accordingly, the club is not able to make any financial commitment to the sportsground re-development.
- Wagin Agricultural Society (13 April) indicating support for phase one of the precinct re-development with no financial contribution at this time.
- Wagin Riding and Pony Club Inc. (13 April) offers in principle support for the proposal with no financial commitment.
- Wagin Tennis Club. (13 April and 28 February) is committed to the proposal and is prepared to make an unspecified financial contribution.

April Shire Facebook Report

11 April 2022

The Shire Facebook page recorded 17 posts since the last report in February with the biggest audience awards going to the post about the new installation at the Wagin War Memorial site, which received 1,637 people checking in and 25 of those people sharing the post, only just winning over two missing cats in the pound.

- Shire Survey with Poetry – 15 March – 1,054 people and five shares
- COVID plan details – 17 March – 728 people and one share
- Betty Terry Flyer – 19 March – 620 people and one share
- Cat in the pound – 23 March – 837 people and two shares
- Cat in the pound – 24 March – 1,606 people and seven shares
- Dog in the pound – 24 March – 417 people and two shares
- Cat in the pound – 24 March – 443 people and three shares
- Cat in the pound – 24 March – 912 people and four shares
- Pool Closing flyer – 24 March – 466 people and two shares
- Book Launch Live Stream – 25 March – 457 people and two shares
- Dog in the Pound – 26 March – 1,136 people and eight shares
- Movie Flyer – 31 March – 314 people
- Soldier at the Memorial – 31 March – 1,637 people and 25 shares
- COVID vaccination clinic flyer – 31 March – 473 people and three shares
- Community Event Flyer – 1 April – 700 people and five shares
- Community Event Postponed Notice – 5 April – 651 people and two shares
- Shire Strategic Plan Survey Link – 7 April – 387 people and two shares

Our pages statistics state we currently have 1,698 followers, with seven new followers.

Wagin Woolorama currently has 4,319 followers, no change from the last report.

Shire of Narrogin currently has 2,058 followers

Shire of Williams currently has 693 followers

Shire of Dumbleyung currently has 1,336 followers

Shire of West Arthur currently has 1,030 followers

Shire of Woodanilling currently has 346 followers

RECREATION AND CULTURE:

Library Report February/March 2022

This report provides information to councillors about events, activities and statistics in the Wagin Library and Gallery which have occurred during the reporting period and is submitted in advance of the monthly council meeting.

Library Update:

- Story Time held every Wednesday 10am to 11am then again on Fridays 1.30pm to 2.30pm

Library Events:

- Wagin Library and Gallery Book Club was held on March 12 from 2pm to 4pm. Our next Book Club was held on Saturday April 9 at Wagin Library and Gallery from 2pm to 4pm.
- Story Time is held every Wednesday 10am to 11am then again on Fridays 1.30pm to 2.30pm.
- John Mawson Author event Friday 25 March 2pm at Eric Farrow Pavilion.

Library Regular Activities:

- WLG Book Club was held on Saturday March 12th from 2pm to 4pm at Wagin Library and Gallery. Our next Book Club was held on Saturday April 9 from 2pm to 4pm at Wagin Library and Gallery
- Waratah Lodge regular readers' weekly exchange of books, DVDs, etc. is ongoing.
- Wagin Hospital Homebound visiting program available as required.
 - **Friends of Wagin Library and Gallery meeting was held Thursday 31 March at 4.30pm. Our next Friends Meeting will be held on Thursday April 28 at 4.30pm.**

Library Statistics:

- 0 new borrowers at the library during this reporting period;
- 183 patron visits for February/March reporting period;
 - 24 successful inter-library loan requests for items from Wagin Library and Gallery patrons;
 - Two inter-library loan requests from other public libraries throughout WA for our items; one not supplied.
- One request for information searches undertaken for Wagin library patrons by library staff;
- Three public access computer user/s; nil Wi-Fi users. Patrons and visitors are now being notified that public access computer able to be used when needed.
- 24 community members enjoyed free tea or coffee in the library;
- Two community member and library patrons spent time reading and relaxing in the library.
- 28 phone transactions relating to library matters - patron request for renewals; requests for information from other libraries, and from us to staff at other libraries; library event planning.

Patron Comments and Suggestions:

Guest book: More new comments entered, and available on library coffee table to view during Library hours.

WAGIN MEMORIAL SWIMMING POOL END OF SEASON REPORT

The 2021/22 Wagin Memorial Swimming Pool season kicked off in November. The weather was warm, as it was for the entire season, so pool water temperatures were constantly hovering around 22 – 26 degrees all season with a few days topping at 29 degrees and a week at the beginning of November at 20 degrees. After a busy preseason of maintenance, the pool was looking beautiful. The new filtration system revamped by Wetdecks was working well. The initial clean-up of the 50-metre pool was a massive undertaking as the water had an algae bloom and was entirely green due to no water circulation and no filtration.

Numbers for the season were well up in all categories maybe due to the ideal swimming weather and also due to people getting out more with relaxed COVID-19 restrictions perhaps.

Swimming lesson numbers were well up with the early start vacation swimming session completely booked out. A number of Katanning and Dumbleyung patrons utilized the pool this year in both a recreational and swimming lesson purpose.

First Aid

- Nothing much to report except for bee stings, minor scrapes and bruising.

Events

- Swimming Pool open day BBQ
- A modified Wagin Swimming Club Carnival with lower numbers due to restrictions
- WDHS swimming carnival again with restrictions and lower numbers
- Cancellation of Interschool carnival
- Swimming club training every Wednesday
- Dolphins for 10-week session with an average of 30 young swimmers
- Babies classes with Christie Daniels and Heather Bartram several times per week
- Virtual 'Swim to Rottnest'
- Early morning lappers
- Swimming Club hosted their wind up with inflatable obstacle course
- Australia Day free entry saw 80 patrons attend
- Multiple birthday parties utilising the gazebo/BBQ area
- Host of several Christmas functions

Bad Behaviour

- Patrons this season were generally well behaved.
- The one shower rule was again enforced with 50 percent of the children adhering to it.

Maintenance

- The biggest project was the new filtration system installed by Wetdecks.
- The 50-metre pump was sent to Perth to fix a leak.
- 50 metre chlorinator controller sent to Perth to be fixed but unfortunately failed with a new controller installed in March 2022
- Pavers at the southern end of 50 metre pool constantly washing out
- New 50 metre pool blankets installed

Issues

- Pool gutters in need of re-sealing
- 50 metre pool will need re-painting
- Expansion joints in both pools to be assessed
- 50 metre pool blanket rollers need attention with the repair work done this season not holding up

Finally, I would like to thank the Shire of Wagin for the opportunities over past years at the Wagin Pool and the Recreation Centre. I take away a lot of great memories. Thank you.

*Kim Hough
Wagin Swimming Pool Manager*

**OVERVIEW OF THE INTEGRATED PLANNING & REPORTING PROCESS (IPR)
FOR THE MAJOR REVIEW OF THE STRATEGIC COMMUNITY PLAN &
INCORPORATION OF THE CORPORATE BUSINESS PLAN (REVIEWED IN 2021)**

***Dec 2021
Preparation of Review***

Management met to prepare a process to undertake the major review required in the 2021/2022 year.

***Dec 2021
Report to Council***

Staff to collate a report on the progress since the last SCP/CBP review

***January 2022
Community Survey***

Preparation and feedback on survey by 10 Jan prior to distribution of survey. This is part of the community engagement process.

***April 2022
Extension of Community Survey***

Extension of the closing date of the community survey has been extended to 26 April 2022.

***May 2022
Additional Community
Consultation***

Tailored full day workshop with targeted audiences to capture the ideas of various age demographic within the Shire.

***June 2022
Collaborative initiative with
community workshop***

Collaboration and learnings from the Peter Kenyon workshop being hosted by *CommuniTea* Hub on 06 June.

***July 2022
Compilation of learnings***

Learnings from all community consultation activities compiled and reviewed by management to input into draft plan.

***August - September 2022
Document Preparation***

Management prepares documentation and draft plan for Council comment.

***October - November 2022
Draft SCP/CBP – presentation to Council***

Council's opportunity to review the community feedback received and draft document and make changes as deemed necessary,

***November 2022
Consultation***

Draft document is advertised for comment and

***December 2022
Adoption***

The SCP/CBP formally adopted by Council.

Carried 0/0

4769 COUNCIL RESOLUTION

Moved by Cr G R Ball

Seconded by Cr B S Hegarty

That Council approve the project allocation from ‘Toilet Block – Murals’ to:

- 1. Kerbing – Trench Street Wagin from Ballagin to Ware Street - \$13,000; and,**
- 2. Kerbing – Ware Street Wagin from Ventnor Street to Arnott Street (single side) - \$10,000 – previously unallocated phase three funding**

Carried 6\0

Reason for Difference – clarification that this is a re-allocation of available Local Roads and Community Infrastructure funding and not increased expenditure. As noted in the item commentary at Department communication point 4, officers had previously excluded an amount of \$10,000 in available funding (now included).

BRIEF SUMMARY

Following submission of the Local Roads and Community Infrastructure Program phase 3 work schedule, further comment and decision was required on certain projects.

BACKGROUND/COMMENT

Correspondence was received on 11 April 2022 from *Department of Infrastructure, Transport, Regional Development and Communications* regarding the eligibility of the 'Toilet Block – Murals' project, along with clarification on two other project submission. The additional two projects were easily clarified by the Manager of Works and resubmitted on 12 April 2022 for approval.

The Department notes the following concerns with the 'Toilet Block – Murals' project;

3. Project 10: Toilet Block – Murals

- a. *I have concerns regarding the eligibility of this project, as the murals would need to be in connection with an eligible project. See the relevant section (5.1) in the Guidelines below*
 - **community/public art associated with an Eligible Project (Eligible Funding Recipients will need to provide a clear description of the conceptual basis of the artwork);**
- b. *This is because the intended outcomes of the program (section 2) are as follows:*

The intended outcomes of the LRCI Program are to:

 - provide stimulus to protect and create local short-term employment opportunities through funding construction projects following the impacts of COVID-19; and
 - deliver benefits to communities, such as improved road safety, accessibility and visual amenity.
- c. *The murals would need to be in conjunction with **construction**.*
- d. *If you wish to continue with this project, please nominate a construction element to it as well. Please also provide a clear description of the conceptual basis of the artwork. Will it promote the town in any way? Will local artists be involved?*
- e. *Please also list multiple coordinates (as the work schedule indicate that the works will be in toilet blocks all around the CBD)*
- f. *If you wish to withdraw this project, please utilise the funds to nominate a new project.*

4. *The sum of total project costs equate to \$687,924. However, your nominal funding allocation is \$697,924. Can you allocate the remaining \$10,000 towards a new project(s), or towards your existing projects?*

After consultation with the Chief Executive Officer, recommendation to reallocate the funds to an eligible project was determined. That said, the recommendation comes from the original Works Committee recommendation of the Trench Street kerbing project.

With additional nominal allocation of \$10,000 confirmed, Manager of Works advised should Council wish to continue the kerbing project along Trench/Ware Street the additional \$10,000 would allow for only a single side of the road and an additional \$8,000 required from the 2022/23 annual budget to complete the section on the opposite side of the street.

CONSULTATION/COMMUNICATION

12.2.3. DELEGATIONS 2022 REVIEW

PROPONENT:	N/A
OWNER:	N/A
LOCATION/ADDRESS:	N/A
AUTHOR OF REPORT:	Acting Deputy Chief Executive Officer
SENIOR OFFICER:	Chief Executive Officer
DATE OF REPORT:	13 April 2022
PREVIOUS REPORT(S):	11 January 2021 (Finance and General-Purpose Committee)
DISCLOSURE OF INTEREST:	Nil
FILE REFERENCE:	GV.AT.1
ATTACHMENTS:	Draft Delegations Register 2022 (Under Separate Cover)

OFFICER RECOMMENDATION/4770 COUNCIL RESOLUTION

Moved Cr G R Ball

Seconded Cr G K B West

That pursuant to sections 5.42 and 5.46 of the Local Government Act 1995, Council Approves the delegation of powers as detailed in the draft Delegations Register 2022 Review.

Carried by Absolute Majority 6/0

BRIEF SUMMARY

Section 5.42(1) of the Local Government Act 1995 ('the Act') allows the local government to delegate certain powers and duties to the Chief Executive Officer (Absolute Majority required). Certain powers may be delegated to other officers by the CEO (s. 5.42(1)). There may also be delegations by Council to Committees (s.5.16, 5.17 refers).

Section 5.46 (2) of the Act states 'At least once every financial year, delegations made under this Division are to be reviewed by the delegator.' The delegations have been reviewed by Administration with minimal change recommended and are hereby submitted for Council's approval (refer to the Draft Delegations Register 2022).

BACKGROUND/COMMENT

The Local Government Act 1995 recognises there are many circumstances in the business of local government requiring the exercise of discretion to enforce a right or discharge a duty. Equally, the business of the organisation could not be carried out efficiently if the particular person with authority were to personally enforce each of these rights or discharge all of these duties.

To properly administer the local government, Council delegates certain powers to the Chief Executive Officer (limited by s.5.43 and 5.42 (1) (b)) who may in turn delegate the exercise or discharge of duties or powers to other officers, other than the power to sub-delegate (s. 5.44, refers). Conditions may be attached to the delegation or sub-delegation.

The last review was presented and approved by Council 23 February 2021.

Changes made in this review are limited to amending policy numbers to align with the Policy Manual; updating legislative references for correctness; and verifying authorisations include the correct name of the person and / position. The most significant change to authorisations is amendments recognising the replacement of the dual role of Environmental Health Officer/Building Surveyor by two persons; the former is supplied by the Shire of Narrogin by Memorandum of Understanding and the latter by casual engagement of a Building Surveyor.

CONSULTATION/COMMUNICATION

Chief Executive Officer; Deputy Chief Executive Officer; Manager of Works; Manager of Finance.

STATUTORY/LEGAL IMPLICATIONS

Legislation authorising the delegation of certain local government powers or duties and the keeping of records in respect of such delegations includes:

- Local Government Act 1995;
- Local Government (Miscellaneous Provisions) Act 1960;
- Bush Fires Act 1954; and,
- Planning and Development Act 2005.

This list is not exhaustive. Delegation allows a person to enforce a right or discharge a duty on behalf of the organisation. This ensures implementation of Council decisions; the continuation of operations; and the taking of actions to ensure compliance.

POLICY IMPLICATIONS

Delegations allow for the proper discharge of duty and underpin policy compliance.

FINANCIAL IMPLICATIONS

Delegations allow the business of the organisation to be carried out efficiently.

STRATEGIC IMPLICATIONS

Delegations allow for the implementation of strategic plans by delegation or authorisation.

VOTING REQUIREMENTS

Absolute Majority

4775 COUNCIL RESOLUTION

Moved by G R Ball

Seconded by G K B West

That Council resolve to:

1. That the local government continue to work with other councils in addressing the issues of pole top fires and power line maintenance;
2. That the local government write to Western Power to request information about which pole insulators have failed; which have not; and where failure has occurred, what improvements have been made to prevent repeated failures; and,
3. Lobby the State Government and Western Power to explore technical and other solutions to improve power line maintenance and the prevention of pole top fires.

Carried 6/0

Reason for Difference – to exercise evidence based decision making.

BRIEF SUMMARY

A request has been received by the Chief Executive Officer from Cr's Blight, Ball and Kilpatrick for the rescinding of resolution 4747 passed by Council at its meeting of 22 March 2022.

BACKGROUND/COMMENT

The wording of resolution 4747 passed at the meeting of 22 March was as follows:

4747 COUNCIL RESOLUTION

Moved Cr S M Chilcott

Seconded Cr M A O'Brien

'The Council continues to work with other councils and lobby State Government to instruct Western Power to rollout an insulator replacement program with the 'Slanted Shed Insulator'

from EMC Pacific Aust P/L part number LPIS 33-24 AND install dispersion plates at the same time'.

Carried 7/0

Resolution 4747 was in response to matters discussed by the Bush Fire Advisory Committee 17 March 2022. The issue intended to be addressed was principally pole top fires but power line maintenance is a related matter. The wording of the resolution could limit the scope of possible implementation to a single technical solution and restrict the consideration of other options.

Accordingly, Cr's Blight, Ball and Kilpatrick have requested the decision be revoked in accordance with section 5.25 (1)(e) of the Local Government Act 1995 and regulation 10 (1) (b) and replaced by an alternate motion. Regulation 10 (1) (b) Local Government (Administration) Regulations 1996 requires at least 1/3 (one-third) of the number of offices inclusive of the mover to support the revocation. For this Council, that is three elected members.

Regulation 10 (1a) requires the motion to revoke to be signed by at least 1/3 (one-third) of the number of offices (whether vacant or not) of members of council or committee inclusive of the mover. The proposed motion has been signed by the required number of offices (three).

The decision to revoke must be by absolute majority.

Notice of the intended motion was received by the CEO at least four days prior to the meeting of Council at which it was to be tabled and this meets the requirements of the Local Law (Standing Orders) 2001, par. 3.8 (2) and other criteria of that Local Law.

CONSULTATION/COMMUNICATION

CEO; Deputy CEO; Cr's Blight, Ball, Kilpatrick; full council.

STATUTORY/LEGAL IMPLICATIONS

Section 5.25 Local Government Act 1995; Regulation 10 Local Government (Administration) Regulations 1996; Local Law (Standing Orders) 2001.

POLICY IMPLICATIONS

No policy directly relevant to this item.

FINANCIAL IMPLICATIONS

Not directly relevant to this item.

STRATEGIC IMPLICATIONS

Not directly relevant to this item.

VOTING REQUIREMENTS

Absolute Majority.

SHIRE OF WAGIN

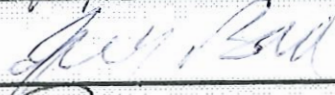

REVOKING OR CHANGING DECISIONS MADE AT COUNCIL MEETINGS

**Local Government (Administration) Regulations
1996 (Regulation No.10)**

10. Revoking or changing decisions (Act s. 5.25(1)(e))
- (1) If a decision has been made at a council or a committee meeting then any motion to revoke or change the decision must be supported —
- (a) in the case where an attempt to revoke or change the decision had been made within the previous 3 months but had failed, by an absolute majority; or
- (b) in any other case, by at least 1/3 of the number of offices (whether vacant or not) of members of the council or committee, inclusive of the mover.
- (1a) Notice of a motion to revoke or change a decision referred to in subregulation (1) is to be signed by members of the council or committee numbering at least 1/3 of the number of offices (whether vacant or not) of members of the council or committee, inclusive of the mover.
- (2) If a decision is made at a council or committee meeting, any decision to revoke or change the decision must be made by an absolute majority.
- (3) This regulation does not apply to the change of a decision unless the effect of the change would be that the decision would be revoked or would become substantially different.

Dear Presiding Member,

The following Councillor's give notice of their support for the bringing forward to the Ordinary Meeting of Council to be held on 26 April 2022 of a motion for rescission of Council Resolution number 4747 as passed by the Council at its Ordinary meeting a Special Meeting of Council held on 22 March 2022.
