AUDIT COMMITTEE

14 MARCH 2023

DISCLAIMER

No responsibility is implied or accepted by the Shire of Wagin for any act, omission or statement or intimation occurring during Council or committee meetings.

The Shire of Wagin disclaims any liability for any loss whatsoever and howsoever caused arising out of reliance by any person or legal entity on any such act, omission or statement or intimation occurring during Council or committee meetings.

Any person or legal entity who acts or fails to act in reliance upon any statement, act or omission made in a Council or committee meeting does so at that person's or legal entity's own risk.

In particular and without detracting in any way from the broad disclaimer above, in any discussion regarding any planning application or application for a licence, any statement or intimation of approval made by any member or officer of the Shire of Wagin during the course of any meeting is not intended to be and is not taken as notice of approval from the Shire of Wagin

The Shire of Wagin advises that anyone who has any application lodged with the Shire of Wagin shall obtain and should only rely on **WRITTEN CONFIRMATION** of the outcome of the application, and any conditions attaching to the decision made by the Shire of Wagin in respect of the application.

CHIEF EXECUTIVE OFFICER

GIFTS DISCLOSURE INFORMATION

The Gifts Register contains the disclosures of gifts that have been made by Elected Members, the Chief Executive Officer and Employees in their official capacity.

To adhere with the changes to gift disclosure regulations in the *Local Government Legislation Amendment Act 2019*, passed by Parliament on 27 June 2019, the Shire of Wagin provides gift disclosure information in the interests of accountability and transparency.

Elected Members and the Chief Executive Officer are required to disclose gifts which are valued over \$300 or are two or more gifts with a cumulative value over \$300 (where the gifts are received from the same donor in a 12-month period) within 10 days of receipt [Sections 5.87A & 5.87B *Local Government Act 1995*].

The Act and Regulations require the Chief Executive Officer to publish an up to date version of the Gifts Register on the Shire's website after a disclosure is made. To protect the privacy of individuals, the register published on the website does not include the address disclosed by an individual donor and will instead include the town or suburb.

BRIEF SUMMARY

The local government's Audit Committee is required to review the completed 2021 Compliance Audit Return and report the results to council prior to its adoption by council. It must then be submitted to the Department of Local Government by 31 March 2022.

BACKGROUND/COMMENT

In accordance with Regulation 13 of the Local Government (Audit) Regulations 1996, each year every local government is required to carry out a compliance audit in relation to the period 1 January to 31 December against the requirements of the Compliance Audit Return (CAR).

The CAR contains 89 questions (plus 9 optional questions) and provides the tool for the Council to monitor legislative compliance by examining a range of prescribed subjects under Regulation 13 of the Local Government (Audit) Regulations 1996 in detail.

The Audit Return has been completed by the CEO and Acting Deputy CEO. A copy of the completed document is included in the Agenda for the Committee to review. No matters of concern are brought to the Committee's attention.

After the CAR has been reviewed by the Audit Committee and presented to Council, a copy certified by the President and CEO, along with the relevant section of the minutes and any additional information explaining or qualifying the CAR, is to be submitted to the Department of Local Government, Sport and Cultural Industries by 31 March.

1. That the Audit Committee receives and accepts the 2022 Draft Independent Auditor's Report; and,
2. That the Audit Committee receive the Annual Financial Report for the year ended 30 June 2022.

Carried 4/0

BRIEF SUMMARY

This item will include the Audit Exit Meeting. The exit meeting concludes the audit schedule and allows the Committee to meet the Auditor and receive and discuss the presentation of draft audit findings.

The independent auditor's report for 2022 is attached to this item as well as the 2021/22 Annual Financial Report for consideration and adoption. The Interim and Final Management Letters are attached for reference.

BACKGROUND/COMMENT

In accordance with Part 7 of the Local Government Act 1995; the Local Government (Audit) Regulations 1996; the Local government (Financial Management) Regulations 1996; and the Local Government Amendment (Auditing) Act 2017, the Auditor-General is responsible for the annual financial report audit for local governments.

AMD Chartered Accountants ('AMD') have been contracted by the Office of the Auditor-General to perform the financial report audit for the financial year ended 30 June 2022.

An audit planning summary was published May 2022 detailing the audit approach and methodology, providing assurance as to independence and compliance with Australian Auditing Standards. That document also referenced the consideration of materiality and the risk of fraud within the scope of the audit and the shire's responsibilities in this regard.

The planning summary also detailed planned meetings, including the exit meeting and the planned discussion of the financial report; the independent auditor's report; and the management letter (all attached to this item).

The audit also considered risk and audit issues, activity cycles; significant financial accounts and the audit approach; the management representation letter; reporting protocols and audit evidence.

An interim audit was conducted June / July 2022 and the onsite audit was concluded October 2022.

The draft Opinion is as follows:

'Opinion

I have audited the financial report of the Shire of Wagin (Shire) which comprises:

- the Statement of Financial Position at 30 June 2022, the Statement of Comprehensive Income by Nature or Type, Statement of Changes in Equity, and Statement of Cash Flows and Rate Setting Statement for the year then ended*
- Notes comprising a summary of significant accounting policies and other explanatory information.*

In my opinion, the financial report is:

- based on proper accounts and records*
- presents fairly, in all material respects, the results of the operations of the Shire for the year ended 30 June 2022 and its financial position at the end of that period*
- in accordance with the Local Government Act 1995 (the Act) and, to the extent that they are not inconsistent with the Act, Australian Accounting Standards'.*

For discussion.

STATUTORY/LEGAL IMPLICATIONS

Part 7 of the Local Government Act 1995 ('the Act'); Local Government (Audit) Regulations 1996; the Local Government (Financial Management) Regulations 1996; and the Local Government Amendment (Auditing) Act 2017. the Auditor-General is responsible for the annual financial report audit for local governments.

The Act requires compliance with accounting standards and the audit process provides assurance as to that compliance.

Audit is a key part of identifying, reducing and mitigating risk and as such is critical to good governance.

POLICY IMPLICATIONS

There are a number of relevant policies including the entire 'F.' group of financial and risk policies within Council's Policy Manual. In addition, policies A9 and C9 (Record Keeping); A18 Asset Management; A25 Internal Control; A26 Legislative Compliance; and A28 Use of Information and Communications Technology have relevance.

FINANCIAL IMPLICATIONS

There is no direct financial implication to this item. However, expenditure on external audit was \$23,400 in 2021/22 and is expected to approximate \$25,000 in 2022/23.

STRATEGIC IMPLICATIONS

Audit is a key assurance and risk management tool and is therefore central to the planning and review process that facilitates strategic planning.

2. Variations to Audit Plan (where applicable)

- No variations

3. Subsequent Events

- Discussion and reconfirmation regarding subsequent events.

4. Audit Issues

- Status of prior year audit issues:

30 June 2021 Interim and Final Findings	Rating	Action by Management
Creditor's and Fixed Asset reconciliations not signed as evidence of independent review	Moderate	Not cleared in current audit
Daily banking reconciliations not signed as evidence of independent review	Moderate	Not cleared in current audit
No Information Technology Usage Policy	Moderate	Not cleared in current audit
No Information Technology Disaster Recovery Plan	Significant	Not cleared in current audit

- Status of audit issues reported at 2022 interim:
It was noted that issues raised in the previous year were not resolved at the time of the 30 June 2022 interim audit. As a result, the above audit issues from 30 June 2021 were raised again in the 30 June 2022 Interim Management Letter.

Additional findings reported in the 30 June 2022 Interim Management Letter include:

30 June 2022 Interim Findings	Rating	Action by Management
Monthly reconciliation checklist not signed as evidence of independent review	Moderate	Not cleared in current audit
Fixed asset reconciliations not performed on a regular basis	Moderate	Not cleared in current audit

- Audit issues reported in the current audit:
Fair Value of Infrastructure Assets – Frequency of Valuations (Significant)
Although Regulation 17A(4)(b) of the Local Government (Financial Management) Regulations 1996 requires the local government to revalue land, buildings and infrastructures no more than 5 years after the last valuation, we recommend that management consider assessing whether there are trigger events that would indicate movement in these assets annually. Where indicators exist a robust fair value assessment should be performed capturing the requirements of AASB 13 Fair Value Movements. Where an entity undertakes the formal valuation internally it is recommended this assessment be peer reviewed (i.e. review the valuation methodology, inputs and model etc for reasonableness) by an approved independent valuer.

INDEPENDENT AUDITOR'S REPORT 2022 Shire of Wagin

To the Councillors of the Shire of Wagin

Opinion

I have audited the financial report of the Shire of Wagin (Shire) which comprises:

- the Statement of Financial Position at 30 June 2022, the Statement of Comprehensive Income by Nature or Type, Statement of Changes in Equity, and Statement of Cash Flows and Rate Setting Statement for the year then ended
- Notes comprising a summary of significant accounting policies and other explanatory information.

In my opinion, the financial report is:

- based on proper accounts and records
- presents fairly, in all material respects, the results of the operations of the Shire for the year ended 30 June 2022 and its financial position at the end of that period
- in accordance with the *Local Government Act 1995* (the Act) and, to the extent that they are not inconsistent with the Act, Australian Accounting Standards.

Basis for opinion

I conducted my audit in accordance with Australian Auditing Standards. My responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial report section below.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Other information

The Chief Executive Officer (CEO) is responsible for the preparation and the Council for overseeing the other information. The other information is the information in the entity's annual report for the year ended 30 June 2022, but not the financial report and my auditor's report.

My opinion on the financial report does not cover the other information and, accordingly, I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial report, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or my knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I did not receive the other information prior to

the date of this auditor's report. When I do receive it, I will read it and if I conclude that there is a material misstatement in this information, I am required to communicate the matter to the CEO and Council and request them to correct the misstated information. If the misstated information is not corrected, I may need to retract this auditor's report and re-issue an amended report.

Responsibilities of the Chief Executive Officer and Council for the financial report

The Chief Executive Officer of the Shire is responsible for:

- preparation and fair presentation of the financial report in accordance with the requirements of the Act, the Regulations and Australian Accounting Standards
- managing internal control as required by the CEO to ensure the financial report is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the CEO is responsible for:

- assessing the Shire's ability to continue as a going concern
- disclosing, as applicable, matters related to going concern
- using the going concern basis of accounting unless the State Government has made decisions affecting the continued existence of the Shire.

The Council is responsible for overseeing the Shire's financial reporting process.

Auditor's responsibilities for the audit of the financial report

As required by the *Auditor General Act 2006*, my responsibility is to express an opinion on the financial report. The objectives of my audit are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.

A further description of my responsibilities for the audit of the financial report is located on the Auditing and Assurance Standards Board website. This description forms part of my auditor's report and can be found at https://www.auasb.gov.au/auditors_responsibilities/ar4.pdf.

My independence and quality control relating to the report on the financial report

I have complied with the independence requirements of the *Auditor General Act 2006* and the relevant ethical requirements relating to assurance engagements. In accordance with ASQC 1 *Quality Control for Firms that Perform Audits and Reviews of Financial Reports and Other Financial Information, and Other Assurance Engagements*, the Office of the Auditor General maintains a comprehensive system of quality control including documented policies and procedures regarding compliance with ethical requirements, professional standards and applicable legal and regulatory requirements.

Matters relating to the electronic publication of the audited financial report

This auditor's report relates to the financial report of the Shire of Wagin for the year ended 30 June 2022 included in the annual report on the Shire's website. The Shire's management is responsible for the integrity of the Shire's website. This audit does not provide assurance on the integrity of the Shire's website. The auditor's report refers only to the financial report. It does not provide an opinion on any other information which may have been hyperlinked to/from the annual report. If users of the financial report are concerned with the inherent risks arising from publication on a website, they are advised to contact the Shire to confirm the information contained in the website version.

1. BASIS OF PREPARATION

The financial report comprises general purpose financial statements which have been prepared in accordance with Australian Accounting Standards (as they apply to local governments and not-for-profit entities) and Interpretations of the Australian Accounting Standards Board, and the *Local Government Act 1995* and accompanying regulations.

The *Local Government Act 1995* and accompanying Regulations take precedence over Australian Accounting Standards where they are inconsistent.

The *Local Government (Financial Management) Regulations 1996* specify that vested land is a right-of-use asset to be measured at cost, and is considered a zero cost concessionary lease. All right-of-use assets under zero cost concessionary leases are measured at zero cost rather than at fair value, except for vested improvements on concessionary land leases such as roads, buildings or other infrastructure which continue to be reported at fair value, as opposed to the vested land which is measured at zero cost. The measurement of vested improvements at fair value is a departure from AASB 16 which would have required the Shire to measure any vested improvements at zero cost.

Accounting policies which have been adopted in the preparation of this financial report have been consistently applied unless stated otherwise. Except for cash flow and rate setting information, the financial report has been prepared on the accrual basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and liabilities.

The local government reporting entity
All funds through which the Shire controls resources to carry on its functions have been included in the financial statements forming part of this financial report.

Judgements and estimates
The preparation of a financial report in conformity with Australian Accounting Standards requires management to make judgements, estimates and assumptions that effect the application of policies and reported amounts of assets and liabilities, income and expenses.

The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances; the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

The balances, transactions and disclosures impacted by accounting estimates are as follows:

- estimated fair value of certain financial assets
- impairment of financial assets
- estimation of fair values of land and buildings, and infrastructure.

SIGNIFICANT ACCOUNTING POLICIES

Cash and cash equivalents

Cash and cash equivalents include cash on hand, cash at bank, deposits available on demand with banks and other short term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

Bank overdrafts are reported as short term borrowings in current liabilities in the statement of financial position.

Term deposits are presented as cash equivalents if they have a maturity of three months or less from the date of acquisition and are repayable with 24 hours notice with no loss of interest.

Restricted financial assets

Restricted financial asset balances are not available for general use by the local government due to externally imposed restrictions. Restrictions are specified in an agreement, contract or legislation. This applies to reserves, unspent grants, subsidies and contributions and unspent loans that have not been fully expended in the manner specified by the contributor, legislation or loan agreement and for which no liability has been recognised.

Details of restrictions on financial assets can be found at Note 16.

	77,804	73,807

SIGNIFICANT ACCOUNTING POLICIES

Other financial assets at amortised cost

The Shire classifies financial assets at amortised cost if both of the following criteria are met:

- the asset is held within a business model whose objective is to collect the contractual cashflows, and
- the contractual terms give rise to cash flows that are solely payments of principal and interest.

Fair values of financial assets at amortised cost are not materially different to their carrying amounts, since the interest receivable on those assets is either close to current market rates or the assets are of a short term nature. Non-current financial assets at amortised cost fair values are based on discounted cash flows using a current market rates. They are classified as level 2 fair values in the fair value hierarchy (see Note 19 (i)) due to the observable market rates.

Interest received is presented under cashflows from operating activities in the Statement of Cash Flows where it is earned from financial assets that are held for cash management purposes.

Financial assets at fair value through profit and loss

The Shire classifies the following financial assets at fair value through profit and loss:

- debt investments which do not qualify for measurement at either amortised cost or fair value through other comprehensive income.
- equity investments which the Shire has not elected to recognise fair value gains and losses through other comprehensive income.

Impairment and risk

Information regarding impairment and exposure to risk can be found at Note 18.

SIGNIFICANT ACCOUNTING POLICIES

Trade and other receivables

Trade and other receivables include amounts due from ratepayers for unpaid rates and service charges and other amounts due from third parties for grants, contributions, reimbursements, and goods sold and services performed in the ordinary course of business.

Trade and other receivables are recognised initially at the amount of consideration that is unconditional, unless they contain significant financing components, when they are recognised at fair value.

Impairment and risk exposure

Information about the impairment of trade receivables and their exposure to credit risk and interest rate risk can be found in Note 18.

Classification and subsequent measurement

Receivables which are generally due for settlement within 30 days except rates receivables which are expected to be collected within 12 months are classified as current assets. All other receivables such as, deferred pensioner rates receivable after the end of the reporting period are classified as non-current assets.

Trade and other receivables are held with the objective to collect the contractual cashflows and therefore the Shire measures them subsequently at amortised cost using the effective interest rate method.

Due to the short term nature of current receivables, their carrying amount is considered to be the same as their fair value. Non-current receivables are indexed to

Additions to inventory	17,199	0
Balance at end of year	<u>52,102</u>	<u>34,903</u>

SIGNIFICANT ACCOUNTING POLICIES

General

Inventories are measured at the lower of cost and net realisable value.

Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

Land held for resale

Land held for development and resale is valued at the lower of cost and net realisable value. Cost includes the cost of acquisition, development, borrowing costs and holding costs until completion of development.

Land held for resale (Continued)

Borrowing costs and holding charges incurred after development is completed are expensed.

Gains and losses are recognised in profit or loss at the time of signing an unconditional contract of sale if significant risks and rewards, and effective control over the land, are passed onto the buyer at this point.

Land held for resale is classified as current except where it is held as non-current based on the Council's intentions to release for sale.

SIGNIFICANT ACCOUNTING POLICIES

Other current assets

Other non-financial assets include prepayments which represent payments in advance of receipt of goods or services or that part of expenditure made in one accounting period covering a term extending beyond that period.

Contract assets

Contract assets primarily relate to the Shire's right to consideration for work completed but not billed at the end of the period.

Impairment of assets associated with contracts with customers are detailed at note 2 (b).

10. FIXED ASSETS (Continued)

SIGNIFICANT ACCOUNTING POLICIES

Fixed assets

Each class of fixed assets within either property, plant and equipment or infrastructure, is carried at cost or fair value as indicated less, where applicable, any accumulated depreciation and impairment losses.

Initial recognition and measurement for assets held at cost

Plant and equipment including furniture and equipment is recognised at cost on acquisition in accordance with *Financial Management Regulation 17A*. Where acquired at no cost the asset is initially recognised at fair value. Assets held at cost are depreciated and assessed for indicators of impairment annually.

Initial recognition and measurement between mandatory revaluation dates for assets held at fair value

Assets for which the fair value as at the date of acquisition is under \$5,000 are not recognised as an asset in accordance with *Financial Management Regulation 17A (5)*. These assets are expensed immediately.

Where multiple individual low value assets are purchased together as part of a larger asset or collectively forming a larger asset exceeding the threshold, the individual assets are recognised as one asset and capitalised.

In relation to this initial measurement, cost is determined as the fair value of the assets given as consideration plus costs incidental to the acquisition. For assets acquired at zero cost or otherwise significantly less than fair value, cost is determined as fair value at the date of acquisition. The cost of non-current assets constructed by the Shire includes the cost of all materials used in construction, direct labour on the project and an appropriate proportion of variable and fixed overheads.

Individual assets that are land, buildings, infrastructure and investment properties acquired between scheduled revaluation dates of the asset class in accordance with the mandatory measurement framework, are recognised at cost and disclosed as being at fair value as management believes cost approximates fair value. They are subject to subsequent revaluation at the next revaluation date in accordance with the mandatory measurement framework.

Revaluation

The fair value of land, buildings, infrastructure and investment properties is determined at least every five years in accordance with the regulatory framework. This includes buildings and infrastructure items which were pre-existing improvements (i.e. vested improvements) on vested land acquired by the Shire.

At the end of each period the carrying amount for each asset class is reviewed and where appropriate the fair value is updated to reflect current market conditions. This process is considered to be in accordance with *Local Government (Financial Management) Regulation 17A (2)* which requires land, buildings, infrastructure, investment properties and vested improvements to be shown at fair value.

Revaluation (continued)

For property, plant and equipment and infrastructure, increases in the carrying amount arising on revaluation of assets are credited to a revaluation surplus in equity. Decreases that offset previous increases of the same class of asset are recognised against revaluation surplus directly in equity. All other decreases are recognised in profit or loss. Subsequent increases are then recognised in profit or loss to the extent they reverse a net revaluation decrease previously recognised in profit or loss for the same class of asset.

Depreciation

The depreciable amount of all property, plant and equipment and infrastructure, are depreciated on a straight-line basis over the individual asset's useful life from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful life of the improvements.

The assets residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains and losses are included in the statement of comprehensive income in the period in which they arise.

Depreciation on revaluation

When an item of property, plant and equipment and infrastructure is revalued, any accumulated depreciation at the date of the revaluation is treated in one of the following ways:

- (i) The gross carrying amount is adjusted in a manner that is consistent with the revaluation of the carrying amount of the asset. For example, the gross carrying amount may be restated by reference to observable market data or it may be restated proportionately to the change in the carrying amount. The accumulated depreciation at the date of the revaluation is adjusted to equal the difference between the gross carrying amount and the carrying amount of the asset after taking into account accumulated impairment losses; or
- (ii) Eliminated against the gross carrying amount of the asset and the net amount restated to the revalued amount of the asset.

Amortisation

All intangible assets with a finite useful life, are amortised on a straight-line basis over the individual asset's useful life from the time the asset is held ready for use.

The residual value of intangible assets is considered to be zero and the useful life and amortisation method are reviewed at the end of each financial year.

Amortisation is included within depreciation in the Statement of Comprehensive Income and in Note 10(a).

SIGNIFICANT ACCOUNTING POLICIES

Financial liabilities

Financial liabilities are initially recognised at fair value when the Shire becomes a party to the contractual provisions of the instrument.

Non-derivative financial liabilities (excluding financial guarantees) are subsequently measured at amortised cost.

Financial liabilities are derecognised where the related obligations are discharged, cancelled or expired. The difference between the carrying amount of the financial liability extinguished or transferred to another party and the fair value of the consideration paid, including the transfer of non-cash assets or liabilities assumed, is recognised in profit or loss.

Trade and other payables

Trade and other payables represent liabilities for goods and services provided to the Shire prior to the end of the financial year that are unpaid and arise when the Shire becomes obliged to make future payments in respect of the purchase of these goods and services.

The amounts are unsecured, are recognised as a current liability and are usually paid within 30 days of recognition. The carrying amounts of trade and other payables are considered to be the same as their fair values, due to their short-term nature.

Prepaid rates

Prepaid rates are, until the taxable event has occurred (start of the next financial year), refundable at the request of the ratepayer. Rates received in advance are initially recognised as a financial liability. When the taxable event occurs, the financial liability is extinguished and the Shire recognises revenue for the prepaid rates that have not been refunded.

487,889	225,884

Performance obligations in relation to capital grant/contribution liabilities are satisfied as project milestones are met or completion of construction or acquisition of the asset.

SIGNIFICANT ACCOUNTING POLICIES

Contract liabilities

Contract liabilities represent the Shire's obligation to transfer goods or services to a customer for which the Shire has received consideration from the customer.

Contract liabilities represent obligations which are not yet satisfied. Contract liabilities are recognised as revenue when the performance obligations in the contract are satisfied.

Capital grant/contribution liabilities

Capital grant/contribution liabilities represent the Shire's obligations to construct recognisable non-financial assets to identified specifications to be controlled the Shire which are yet to be satisfied. Capital grant/contribution liabilities are recognised as revenue when the obligations in the contract are satisfied.

Non-current capital grant/contribution liabilities fair values are based on discounted cash flows of expected cashflows to satisfy the obligations using a current borrowing rate. They are classified as level 3 fair values in the fair value hierarchy (see Note 19(i)) due to the unobservable inputs, including own credit risk.

Secured liabilities and assets pledged as security

Debentures, bank overdrafts and bank loans are secured by a floating charge over the assets of the Shire of Wagin. Other loans relate to transferred receivables. Refer to Note 5.

The Shire of Wagin has complied with the financial covenants of its borrowing facilities during the 2022 and 2021 years.

SIGNIFICANT ACCOUNTING POLICIES

Borrowing costs

Borrowing costs are recognised as an expense when incurred except where they are directly attributable to the acquisition, construction or production of a qualifying asset. Where this is the case, they are capitalised as part of the cost of the particular asset until such time as the asset is substantially ready for its intended use or sale.

Fair values of borrowings are not materially different to their carrying amounts, since the interest payable on those borrowings is either close to current market rates or the borrowings are of a short term nature. Borrowings fair values are based on discounted cash flows using a current borrowing rate. They are classified as level 3 fair values in the fair value hierarchy (see Note 19(ii)) due to the unobservable inputs including own credit risk.

Risk

Information regarding exposure to risk can be found at Note 16.

Details of individual borrowings required by regulations are provided at Note 23(a).

SIGNIFICANT ACCOUNTING POLICIES

Employee benefits

The Shire's obligations for employees' annual leave, long service leave and other employee leave entitlements are recognised as employee related provisions in the Statement of Financial Position.

Short-term employee benefits

Provision is made for the Shire's obligations for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service, including wages, salaries and sick leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

The Shire's obligations for short-term employee benefits such as wages, salaries and sick leave are recognised as a part of current trade and other payables in the statement of financial position.

Other long-term employee benefits

Long-term employee benefits provisions are measured at the present value of the expected future payments to be made to employees. Expected future payments incorporate anticipated future wage and salary levels, durations of service and employee departures and are discounted at rates determined by reference to market yields at the end of the reporting period on government bonds that have maturity dates that approximate the terms of the obligations. Any remeasurements for changes in assumptions of obligations for other long-term employee benefits are recognised in profit or loss in the periods in which the changes occur.

The Shire's obligations for long-term employee benefits are presented as non-current provisions in its statement of financial position, except where the Shire does not have an unconditional right to defer settlement for at least 12 months after the end of the reporting period, in which case the obligations are presented as current provisions.

(d) Related Parties

The Shire's main related parties are as follows:

i. Key management personnel

Any person(s) having authority and responsibility for planning, directing and controlling the activities of the entity, directly or indirectly, including any council member, are considered key management personnel.

ii. Other Related Parties

An associate person of KMP was employed by the Shire under normal employment terms and conditions.

Any entity that is controlled by or over which KMP, or close family members of KMP, have authority and responsibility for planning, directing and controlling the activity of the entity, directly or indirectly, are considered related parties in relation to the Shire.

iii. Entities subject to significant influence by the Shire

An entity that has the power to participate in the financial and operating policy decisions of an entity, but does not have control over those policies, is an entity which holds significant influence. Significant influence may be gained by share ownership, statute or agreement.

18. FINANCIAL RISK MANAGEMENT

This note explains the Shire's exposure to financial risks and how these risks could affect the Shire's future financial performance.

Risk	Exposure arising from	Measurement	Management
Market risk - interest rates	Long term borrowings at variable rates	Sensitivity analysis	Utilise fixed interest rate borrowings
Credit risk	Cash and cash equivalents, trade receivables, financial assets and debt investments	Aging analysis Credit analysis	Diversification of bank deposits, credit limits. Investment policy
Liquidity risk	Borrowings and other liabilities	Rolling cash flow forecasts	Availability of committed credit lines and borrowing facilities

The Shire does not engage in transactions expressed in foreign currencies and is therefore not subject to foreign currency risk.

Financial risk management is carried out by the finance area under policies approved by the Council. The finance area identifies, evaluates and manages financial risks in close co-operation with the operating divisions. Council have approved the overall risk management policy and provide policies on specific areas such as investment policy.

(a) Interest rate risk

Cash and cash equivalents

The Shire's main interest rate risk arises from cash and cash equivalents with variable interest rates, which exposes the Shire to cash flow interest rate risk. Short term overdraft facilities also have variable interest rates however these are repaid within 12 months, reducing the risk level to minimal.

Excess cash and cash equivalents are invested in fixed interest rate term deposits which do not expose the Shire to cash flow interest rate risk. Cash and cash equivalents required for working capital are held in variable interest rate accounts and non-interest bearing accounts. Carrying amounts of cash and cash equivalents at the 30 June and the weighted average interest rate across all cash and cash equivalents, term deposits, and Treasury bonds held disclosed as financial assets at amortised cost are reflected in the table below.

	Weighted Average Interest Rate %	Carrying Amounts \$	Fixed Interest Rate \$	Variable Interest Rate \$	Non Interest Bearing \$
2022					
Cash and cash equivalents	0.05%	2,672,362	0	1,198,046	1,474,316

Borrowings

Borrowings are subject to interest rate risk - the risk that movements in interest rates could adversely affect funding costs. The Shire manages this risk by borrowing long term and fixing the interest rate to the situation considered the most advantageous at the time of negotiation. The Shire does not consider there to be any interest rate risk in relation to borrowings. Details of interest rates applicable to each borrowing may be found at Note 23(a).

FOR THE YEAR ENDED 30 JUNE 2022

18. FINANCIAL RISK MANAGEMENT (Continued)

(b) Credit risk

Trade and Other Receivables

The Shire's major receivables comprise rates annual charges and user fees and charges. The major risk associated with these receivables is credit risk – the risk that the debts may not be repaid. The Shire manages this risk by monitoring outstanding debt and employing debt recovery policies. It also encourages ratepayers to pay rates by the due date through incentives.

Credit risk on rates and annual charges is minimised by the ability of the Shire to recover these debts as a secured charge over the land, that is, the land can be sold to recover the debt. The Shire is able to charge interest on overdue rates and annual charges at higher than market rates, which further encourages payment.

The level of outstanding receivables is reported to Council monthly and benchmarks are set and monitored for acceptable collection performance.

The Shire applies the AASB 9 simplified approach to measuring expected credit losses using a lifetime expected loss allowance for all trade receivables. To measure the expected credit losses, rates receivable are separated from other trade receivables due to the difference in payment terms and security for rates receivable.

The expected loss rates are based on the payment profiles of rates and fees and charges over a period of 36 months before 1 July 2021 or 1 July 2022 respectively and the corresponding historical losses experienced within this period. Historical credit loss rates are adjusted to reflect current and forward-looking information on macroeconomic factors such as the ability of ratepayers and residents to settle the receivables. Housing prices and unemployment rates have been identified as the most relevant factor in repayment rates, and accordingly adjustments are made to the expected credit loss rate based on these factors.

The loss allowance as at 30 June 2022 and 30 June 2021 for rates receivable was determined as follows:

	Less than 1 year past due	More than 1 year past due	More than 2 years past due	More than 3 years past due	Total	Note
30 June 2022						
Rates receivable						
Expected credit loss	15.15%	8.68%	36.16%	0.00%		
Gross carrying amount	29,792	25,548	22,850	-567	77,623	
Loss allowance	4,515	2,306	8,264	12,648	27,732	5
30 June 2021						
Rates receivable						
Expected credit loss		24.64%	16.08%	32.34%		
Gross carrying amount	745	33,501	34,012	22,206	90,464	
Loss allowance	1,598	8,257	5,470	7,182	22,507	5

The loss allowance as at 30 June 2022 and 30 June 2021 was determined as follows for trade receivables.

	Less than 30 days past due	More than 30 days past due	More than 60 days past due	More than 90 days past due	Total	
30 June 2022						
Trade and other receivables						
Expected credit loss	0.00%	0.00%	0.00%	6.78%		
Gross carrying amount	108,713	8,423	588	29,669	147,392	
Loss allowance	0	0	0	2,013	2,013	5
30 June 2021						
Trade and other receivables						
Expected credit loss	0.00%	0.00%	0.00%	8.73%		
Gross carrying amount	118,895	4,613	8,018	46,094	177,620	
Loss allowance	0	0	0	3,856	3,856	5

18. FINANCIAL RISK MANAGEMENT (Continued)

(b) Credit risk

The loss allowances for trade receivables and contract assets as at 30 June reconcile to the opening loss allowances as follows:

	Rates receivable		Trade and other receivables		Contract Assets	
	2022 Actual	2021 Actual	2022 Actual	2021 Actual	2022 Actual	2021 Actual
Opening loss allowance as at 1 July	\$ 22,507	\$	\$ 3,856	\$	\$ 0	\$
Unused amount reversed	5,225	22,507	(1,843)	3,856	0	0
Closing loss allowance at 30 June	27,732	22,507	2,013	3,856	0	0

Trade receivables and contract assets are written off where there is no reasonable expectation of recovery. Indicators that there is no reasonable expectation of recovery include, amongst others, the failure of a debtor to engage in a repayment plan with the Shire, and a failure to make contractual payments for a period of greater than 120 days past due.

Impairment losses on trade receivables and contract assets are presented as net impairment losses within operating profit. Subsequent recoveries of amounts previously written off are credited against the same line item.

Contract Assets

The Shire's contract assets represent work completed, which have not been invoiced at year end. This is due to the Shire not having met all the performance obligations in the contract which give an unconditional right to receive consideration. The Shire applies the simplified approach to measure expected credit losses which uses a lifetime expected loss allowance for all contract assets. To measure the expected credit losses, contract assets have been grouped based on shared credit risk characteristics and the days past due. Contract assets have substantially the same risk characteristics as the trade receivables for the same types of contracts. The Shire has therefore concluded that the expected loss rates for trade receivables are a reasonable approximation of the loss rates for the contract assets.

NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
FOR THE YEAR ENDED 30 JUNE 2022

18. FINANCIAL RISK MANAGEMENT (Continued)

(c) Liquidity risk

Payables and borrowings

Payables and borrowings are both subject to liquidity risk – that is the risk that insufficient funds may be on hand to meet payment obligations as and when they fall due. The Shire manages this risk by monitoring its cash flow requirements and liquidity levels and maintaining an adequate cash buffer. Payment terms can be extended and overdraft facilities drawn upon if required and disclosed in Note 16(c).

The contractual undiscounted cash flows of the Shire's payables and borrowings are set out in the liquidity table below. Balances due within 12 months equal their carrying balances, as the impact of discounting is not significant.

	Due within 1 year	Due between 1 & 5 years	Due after 5 years	Total contractual cash flows	Carrying values
	\$	\$	\$	\$	\$
2022					
Trade and other payables	199,488	0	0	199,488	199,488
Borrowings	74,472	277,465	143,404	495,341	495,341
	273,960	277,465	143,404	694,829	694,829
2021					
Trade and other payables	233,319	0	0	233,319	233,319
Borrowings	70,889	302,420	192,921	566,230	566,230
	304,208	302,420	192,921	799,549	799,549

19. OTHER SIGNIFICANT ACCOUNTING POLICIES

a) Goods and services tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with receivables or payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows.

b) Current and non-current classification

The asset or liability is classified as current if it is expected to be settled within the next 12 months, being the Shire's operational cycle. In the case of liabilities where the Shire does not have the unconditional right to defer settlement beyond 12 months, such as vested long service leave, the liability is classified as current even if not expected to be settled within the next 12 months. Inventories held for trading are classified as current or non-current based on the Shire's intentions to release for sale.

c) Rounding off figures

All figures shown in this annual financial report, other than a rate in the dollar, are rounded to the nearest dollar. Amounts are presented in Australian Dollars.

d) Comparative figures

Where required, comparative figures have been adjusted to conform with changes in presentation for the current financial year.

When the Shire applies an accounting policy retrospectively, makes a retrospective restatement or reclassifies items in its financial statements that has a material effect on the statement of financial position, an additional (third) Statement of Financial Position as at the beginning of the preceding period in addition to the minimum comparative financial statements is presented.

e) Budget comparative figures

Unless otherwise stated, the budget comparative figures shown in this annual financial report relate to the original budget estimate for the relevant item of disclosure.

f) Superannuation

The Shire contributes to a number of Superannuation Funds on behalf of employees. All funds to which the Shire contributes are defined contribution plans.

g) Fair value of assets and liabilities

Fair value is the price that the Shire would receive to sell the asset or would have to pay to transfer a liability, in an orderly (i.e. unforced) transaction between independent, knowledgeable and willing market participants at the measurement date.

As fair value is a market-based measure, the closest equivalent observable market pricing information is used to determine fair value. Adjustments to market values may be made having regard to the characteristics of the specific asset or liability. The fair values of assets that are not traded in an active market are determined using one or more valuation techniques. These valuation techniques maximise, to the extent possible, the use of observable market data.

To the extent possible, market information is extracted from either the principal market for the asset or liability (i.e. the market with the greatest volume and level of activity for the asset or liability) or, in the absence of such a market, the most advantageous market available to the entity at the end of the reporting period (i.e. the market that maximises the receipts from the sale of the asset after taking into account transaction costs and transport costs).

For non-financial assets, the fair value measurement also takes into account a market participant's ability to use the asset in its highest and best use or to sell it to another market participant that would use the asset in its highest and best use.

h) Interest earnings

Interest income is calculated by applying the effective interest rate to the gross carrying amount of a financial asset measured at amortised cost except for financial assets that subsequently become credit-impaired. For credit-impaired financial assets the effective interest rate is applied to the net carrying amount of the financial asset (after deduction of the loss allowance).

i) Fair value hierarchy

AASB 13 requires the disclosure of fair value information by level of the fair value hierarchy, which categorises fair value measurement into one of three possible levels based on the lowest level that an input that is significant to the measurement can be categorised into as follows:

Level 1

Measurements based on quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date.

Level 2

Measurements based on inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3

Measurements based on unobservable inputs for the asset or liability.

The fair values of assets and liabilities that are not traded in an active market are determined using one or more valuation techniques. These valuation techniques maximise, to the extent possible, the use of observable market data. If all significant inputs required to measure fair value are observable, the asset or liability is included in Level 2. If one or more significant inputs are not based on observable market data, the asset or liability is included in Level 3.

Valuation techniques

The Shire selects a valuation technique that is appropriate in the circumstances and for which sufficient data is available to measure fair value. The availability of sufficient and relevant data primarily depends on the specific characteristics of the asset or liability being measured. The valuation techniques selected by the Shire are consistent with one or more of the following valuation approaches:

Market approach

Valuation techniques that use prices and other relevant information generated by market transactions for identical or similar assets or liabilities.

Income approach

Valuation techniques that convert estimated future cash flows or income and expenses into a single discounted present value.

Cost approach

Valuation techniques that reflect the current replacement cost of the service capacity of an asset.

Each valuation technique requires inputs that reflect the assumptions that buyers and sellers would use when pricing the asset or liability, including assumptions about risks. When selecting a valuation technique, the Shire gives priority to those techniques that maximise the use of observable inputs and minimise the use of unobservable inputs. Inputs that are developed using market data (such as publicly available information on actual transactions) and reflect the assumptions that buyers and sellers would generally use when pricing the asset or liability are considered observable, whereas inputs for which market data is not available and therefore are developed using the best information available about such assumptions are considered unobservable.

j) Impairment of assets

In accordance with Australian Accounting Standards the Shire's cash generating non-specialise assets, other than inventories, are assessed at each reporting date to determine whether there is any indication they may be impaired.

Where such an indication exists, an impairment test is carried out on the asset by comparing the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, to the asset's carrying amount.

Any excess of the asset's carrying amount over its recoverable amount is recognised immediately in profit or loss, unless the asset is carried at a revalued amount in accordance with another Standard (e.g. AASB 116) whereby any impairment loss of a revalued asset is treated as a revaluation decrease in accordance with that other Standard.

For non-cash generating specialised assets that are measured under the revaluation model, such as roads, drains, public buildings and the like, no annual assessment of impairment is required. Rather AASB 116.31 applies and revaluations need only be made with sufficient regularity to ensure the carrying value does not differ materially from that which would be determined using fair value at the end of the reporting period.

k) Initial application of accounting standards

During the current year, no new or revised Australian Accounting Standards and Interpretations were compiled, became mandatory and were applicable to its operations.

New accounting standards for application in future years

The following new accounting standards will have application to local government in future years:

- AASB 2020-1 Amendments to Australian Accounting Standards - Classification of Liabilities as Current or Non-current
- AASB 2020-3 Amendments to Australian Accounting Standards - Annual Improvements 2018-2020 and Other Amendments
- AASB 2021-2 Amendments to Australian Accounting Standards - Disclosure of Accounting Policies or Definition of Accounting Estimates
- AASB 2021-7 Amendments to Australian Accounting Standards – Effective Date of Amendments to AASB 10 and AASB 128 and Editorial Corrections

It is not expected these standards will have an impact on the financial report.

20. FUNCTION AND ACTIVITY

(a) Service objectives and descriptions

Shire operations as disclosed in this financial report encompass the following service orientated functions and activities.

Objective	Description
Governance To provide a decision making process for the efficient allocation of resources.	Includes costs associated with elected members, the running costs of the Administration building and associated clerical staff, records management and computer operation costs.
General purpose funding To collect revenue to allow for the provision of services and facilities for the community.	Includes rate revenue and associated costs, general purpose government grants, costs associated with the repayment of Council loans, including reimbursement from government bodies and community organisations, as well as interest earned on Council investments.
Law, order, public safety To provide services to help ensure a safer and environmentally conscious community.	Includes costs associated with fire prevention and control, control of dogs, cats and other animals, abandoned vehicles, enforcement of associated local laws and other aspects of public safety including emergency services.
Health To provide an operational framework for environmental and community health.	Includes costs associated with providing doctor, maternal and infant health services, analytical expenses ie water sampling, and the running of the Regional Health Scheme together with the Shire of Williams and Shire of Dumbleyung.
Education and welfare To provide services and facilities to the elderly, disadvantaged, children and youth of the community.	Includes costs associated with providing a building for daycare, administering and running of the Wagin Homecare Program, including the Commonwealth Home Support Programme and Homecare Packages for clients. Also some assistance to Wagin Frail Aged Lodge.
Community amenities To provide required essential services for the community.	Includes provision for the collection and disposal of residential, commercial and industrial refuse, provide an effective waste recycling service, ongoing maintenance of the Wagin Cemetery and running costs associated with providing public conveniences.
Recreation and culture To establish and effectively manage infrastructure, resources and provide opportunities which will help the social well-being of the community.	Includes costs associated with public halls, the Wagin Memorial Swimming Centre, Wagin Recreation Centre, sportsground maintenance and sportsground buildings / facilities maintenance, the provision of recreational services and programs, library services together with a contribution towards the costs associated with the running of the Wagin Woolorama.
Transport To provide safe, effective and efficient transport services to the community.	Includes construction and maintenance of Council's infrastructure assets including roads, bridges, footpaths, parking facilities, townscape, street trees and street lighting. Also, improvements to Council's plant and the provision of aircraft landing facilities and their associated costs.
Economic services To help promote the Shire and its economic wellbeing.	Includes area promotion, tourism, economic and community development, control of declared flora and fauna, the Rural Town's programme, Landcare, LCDC projects, ongoing maintenance of the Wagin Caravan Park, building control and the provision of standpipes.
Other property and services To monitor and control Council's overhead operating accounts and other miscellaneous items.	Includes private works, town planning schemes and the provision for new residential developments, materials in store, costs associated with employment of the outside works crew, costs associated with the running of all Council plant and other unclassified revenue and expenses.

KEY TO RATINGS

The Ratings in this management letter are based on the audit team's assessment of risks and concerns with respect to the probability and/or consequence of adverse outcomes if action is not taken. We give consideration to these potential adverse outcomes in the context of both quantitative impact (for example financial loss) and qualitative impact (for example inefficiency, non-compliance, poor service to the public or loss of public confidence).

- Significant** - Those findings where there is potentially a significant risk to the entity should the finding not be addressed by the entity promptly. A significant rating could indicate the need for a modified audit opinion in the current year, or in a subsequent reporting period if not addressed. However, even if the issue is not likely to impact the audit report, it should be addressed promptly.
- Moderate** - Those findings which are of sufficient concern to warrant action being taken by the entity as soon as practicable.
- Minor** - Those findings that are not of primary concern but still warrant action being taken.

PERIOD OF AUDIT: YEAR ENDED 30 JUNE 2022

FINDINGS IDENTIFIED DURING THE INTERIM AUDIT

1. Monthly reconciliation checklist

Finding

We noted that key monthly account reconciliations are performed, including debtors, rates, bank and payroll, however the Manager of Finance EOM Checklist is not being signed as evidence of an independent review.

Rating: Moderate**Implication**

Lack of review by an independent senior officer may lead to erroneous or unusual reconciling items not being detected and investigated in a timely manner.

Recommendation

Reconciliations are a key control and should be reviewed by someone independent of the reconciliation function. Reconciliations should be signed off as evidence of an independent review.

Management Comment

The Manager of Finance Checklist is now being signed by the Manager of Finance to confirm all tasks have been performed and reconciled. The form is also being signed by either the Deputy CEO or CEO as evidence of checking of the tasks undertaken.

Responsible Person:

Manager of Finance

Completion Date:

30/06/2022

The above procedure has been fully implemented and EOM checklist are compiled and signed by the Manager of Finance and checked and countersigned by either ADCEO or ACEO

2. Fixed assets reconciliations

Finding

We noted that fixed assets reconciliations are only being performed at year-end.

Rating: Moderate**Implication**

Infrequent fixed assets reconciliations may lead to erroneous or unusual reconciling items not being detected and investigated in a timely manner.

Recommendation

We recommend performing fixed assets reconciliations monthly and having them signed by the preparer and as evidence of independent review.

Management Comment

SHIRE OF WAGIN**PERIOD OF AUDIT: YEAR ENDED 30 JUNE 2022****FINDINGS IDENTIFIED DURING THE INTERIM AUDIT**

Fixed asset reconciliations do not appear to have been done on a regular basis in prior financial years and this was noticed by the new Manager of Finance when she commenced the position in February 2022. Monthly fixed asset reconciliations are now being performed as part of the Manager of Finance month end procedures. The reconciliation is signed by the Manager of Finance and by the Deputy CEO or the CEO as evidence of checking.

Responsible Person:

Manager of Finance.

Completion Date:

30/06/2022

The above procedure has been fully implemented and assets are reconciled as part of the month end process with assets been added or disposed of in the month the transaction occurs and reconciliation of the asset register to the GL accounts completed monthly by the Manager of Finance and checked and countersigned by either ADCEO or ACEO

3. Creditors' reconciliations

Finding

We noted that creditors' reconciliations are performed, however they are not signed off to evidence an independent review has occurred once complete.

A similar finding was issued in 2020-21 and the following management comment was received:

Management Comment

An independent review is carried out though not documented. Management will ensure this is signed off moving forward.

Responsible Person: Manager of Finance

Completion Date: 6 September 2021

Rating: Moderate (2021: Moderate)

Implication

Lack of review by an independent senior officer may lead to erroneous or unusual reconciling items not being detected and investigated in a timely manner.

Recommendation

Reconciliations are a key control and should be reviewed by someone independent of the reconciliation function. Reconciliations should be signed off as evidence of an independent review.

Management Comment

The creditors reconciliation is performed monthly by our finance officer. The reconciliation is checked by the Manager of Finance as part of the month end review. Please see point regarding signing off of the monthly report as evidence of the check, This procedure is now in place.

Responsible Person:

Manager of Finance

Completion Date:

30/06/2022

The above procedure is in place and the monthly reconciliation is signed by the officer carrying out the reconciliation. It is then checked and signed by the Manager of Finance and forms part of the month end process which is checked and countersigned by the ADCEO or ACEO

PERIOD OF AUDIT: YEAR ENDED 30 JUNE 2022

FINDINGS IDENTIFIED DURING THE INTERIM AUDIT

4. Daily banking procedures

Finding

During our receipts testing, we noted that the daily banking reconciliations at the administration office are not signed as evidence of an independent review. Furthermore, we noted that the daily banking summaries for each cash collection site are not signed as evidence of an independent review.

A similar finding was issued in 2020-21 and the following management comment was received:

Management Comment

An independent review is carried out though not documented. Management will ensure this is signed off moving forward.

Responsible Person: Manager of Finance
Completion Date: 6 September 2021

Rating: Moderate (2021: Moderate)

Implication

Increased risk of error or fraud due to lack of an independent review.

Recommendation

End of day reconciliations are a key control and should be reviewed by someone independent of the reconciliation function. These reconciliations should be signed off as evidence of an independent review.

Management Comment

Daily receipting is reconciled by front office staff and then checked by our rates/payroll officer daily. The front office person responsible for balancing the daily takings signs the form and it is countersigned when checked by our rates/payroll officer. Any monies banked by other departments, e.g. homecare, caravan park, rec centre, swimming pool, refuse site, have a summary form that is signed by the person who is bringing in the cash and countersigned by the front office staff member doing the receipting as evidence of checking funds received and receipted. A review of these procedures has been carried out with all relevant staff to ensure the procedure is being adhered to.

Responsible Person:
Deputy CEO

Completion Date:
30/06/2022

The above process is in place and the daily banking paperwork is signed by the front office staff member completing the daily banking and balancing process. This is then checked and countersigned by the rates/payroll officer

PERIOD OF AUDIT: YEAR ENDED 30 JUNE 2022

FINDINGS IDENTIFIED DURING THE INTERIM AUDIT

5. Information technology usage policy

Finding

We noted that the Shire does not have an Information Technology (IT) Usage Policy. An IT Usage Policy would outline the rules and guidelines with respect to appropriate use of the Shire's IT resources.

A similar finding was issued in 2020-21 and the following management comment was received:

Management Comment

Management will endeavour to prepare an Information Technology (IT) Usage Policy.

Responsible Person: Deputy Chief Executive Officer

Completion Date: 28 February 2022

Rating: Moderate (2021: Moderate)

Implication

In the absence of an effective policy on IT usage, there is an increased risk of inefficient use of the Shire's resources.

Recommendation

We recommend that management develop and implement a policy to ensure that users of IT systems make the best use of the Shire's resources. This policy should be communicated to staff and monitored on an ongoing basis.

Management Comment

As advised by email 3 June 2022, there is no IT usage policy. However, the subject matter is being prepared and my expectation is to present to Council as policy in the latter quarter of 2022. The Shire of Wagin is participating in a cyber-security project on behalf of the sector (through insurer LGIS) and will review all IT arrangement via managed services tender process late this year.

6. Information technology – disaster recovery plan

Finding

We noted that the Shire has no formal disaster recovery plan in place in respect to information technology systems.

A similar finding was issued in 2020-21 and the following management comment was received:

Management Comment

Management will endeavour to prepare a formal Disaster Recovery Plan.

Responsible Person: Deputy Chief Executive Officer

Completion Date: 28 February 2022

Rating: Significant (2021: Moderate)**Implication**

Without a disaster recovery plan, it is likely to be more difficult to recover from an incident or crisis in a timely and effective manner. There is an increased risk that key business functions will remain out of operation for extended periods of time following a major incident.

Recommendation

We recommend that management develop and document a disaster recovery plan based on the Shire's business continuity plan, detailing the steps to be taken to recover operations.

The plan should be communicated to staff and tested on a periodic basis to ensure that staff are familiar with their responsibilities. This should also include testing of the IT system backups.

Management Comment

As advised by email 3 June 2022, there is no local document for recovery and all recovery plans are held by IT managed services provider. With the development of IT usage policy; participation in a cyber-security project on behalf of the sector (through insurer LGIS); and the review of all IT arrangements via managed services tender process later this year, a recovery framework will be developed.

SHIRE OF WAGIN**PERIOD OF AUDIT: YEAR ENDED 30 JUNE 2022****FINDINGS IDENTIFIED DURING THE FINAL AUDIT****1. Fair Value of Infrastructure Assets - Frequency of Valuations****Finding**

The Shire of Wagin has not performed an assessment to determine whether its infrastructure assets represent fair value for the year ended 30 June 2022.

Rating: Significant**Implication**

Without a robust assessment of fair value of the Shire of Wagin's Infrastructure Assets there is a risk that the fair value of infrastructure assets may not have been assessed adequately and in compliance with *AASB 13 Fair Value Measurement*, as well as Regulation 17A(4)(b) of the Local Government (Financial Management) Regulations 1996 (the Regulations).

Recommendation

The Shire of Wagin consider implementing as part of the preparation of financial statements a formal robust process to determine whether indicators exist annually, that would trigger a requirement to perform a formal revaluation of Infrastructure Assets. Where indicators exist, a robust fair value assessment should be performed capturing the requirements of *AASB 13 Fair Value Movements*. This process is to ensure that the Shire of Wagin's infrastructure assets are recorded at fair value in compliance with *AASB 13 Fair Value Measurement* and the Regulations.

This may entail obtaining relevant input from an independent valuer as to whether or not they consider there are any prevailing market factors which may indicate that the fair values of relevant assets are likely to have been impacted to any significant / material extent from the prior year. Where a fair value assessment has been performed internally, the Shire of Wagin may consider having this assessment peer reviewed by an independent valuer to obtain assurance over the valuation methodology applied, inputs and the reasonableness of the valuation model applied.

Management comment***Fair Value of Infrastructure assets.***

Section 6.10 9c) of the Local Government Act 1995 says regulations may provide for the management by a local government of its assets, liabilities and revenue.

Regulation 17A of the Local Government (Financial Management) Regulations 1996 addresses the Valuation of certain assets for financial reports; in particular, at (1) a definition of fair value; and at (2) (a) (iii) the requirement to show in each financial report the fair value of all of the non-financial assets of the local government.

Regulation 17A (4) (a) requires the local government to revalue assets nominated at 17A (2) where the local government is of the opinion that the fair value of the asset is materially different from its carrying amount; and, at (b), in any event, within a period no more than 5 years after the day on which the asset was last valued or revalued.

The Shire of Wagin has valued or revalued non-financial assets and is compliant with 17A (4) (b) in that all non-financial assets have been valued or revalued within five years, as follows (class and financial year):

- *Land and Buildings 2021 / 22*
- *Plant and equipment 2018 / 19*
- *Roads and infrastructure 2017 / 18*

Roads and Infrastructure are programmed for assessment in 2022/23.

The auditor's management letter makes the following Finding:

1. **Finding:** *'The Shire of Wagin has not performed an assessment to determine its infrastructure assets represent fair value for the year ended 30 June 2022'.*

Response by management:

The assessment is not required by regulation 17A (4) (b) for the year ended 30 June 2022.

The auditor's (Risk) Rating assigned to the Finding is:

2. Rating: Significant

'Implication'. *'without a robust assessment of fair value of the Shire of Wagin's infrastructure assets there is a risk that the fair value of infrastructure assets may not have been assessed adequately and in compliance with AASB 13 Fair Value Measurement as well as Regulation 17A (4) (b) of the Local Government (Financial Management) Regulations 1996 (the Regulations)'.*

Response by Management:

The Shire of Wagin is compliant in both respects. However, it is recognised that compliance can be at odds with the management of risk. Risk may be elevated despite compliance and risk mitigation could be applied in addition to compliant actions. It is recognised that appropriate indicators may inform the local government opinion as to whether fair value is materially different to the available assessment.

The Shire of Wagin is concerned that a Significant Risk Rating is applied to an activity that is compliant with regulations. This appears to be a statement that is not aligned with assessment requirements.

The Shire of Wagin recommends that changes to regulations be pursued through appropriate regulatory channels.

The auditor's management letter included the following recommendation:

Recommendation (summarised)

'(That) the Shire of Wagin consider implementing a formal robust process to determine annual indicators that would trigger formal revaluation.'

Response by Management:

SHIRE OF WAGIN

PERIOD OF AUDIT: YEAR ENDED 30 JUNE 2022

FINDINGS IDENTIFIED DURING THE FINAL AUDIT

The Shire of Wagin will complete valuation / revaluations in accordance with regulations and the Standard.

I do note the AASB exposure draft ED320 of earlier this year and the likely change this will bring for not for profit entities, of which local governments will be included. I am confident the Shire of Wagin will respond professionally and appropriately to the changes in Standards and any subsequent regulatory amendment.

The Shire of Wagin will consider what mechanisms will add value to financial statements and assist in the mitigation of risk. It is the intention of management to manage risk appropriately and seek best practice as soon as practicable.

However, where the auditor recommendation may be good business practice but not a regulatory requirement there is a case for sector examination of the issue. This may result in change to regulations, industry support or changes in approach.

The Shire of Wagin accepts the recommendation but believes the rating misjudged as Significant and more correctly Moderate.

OFFICER RECOMMENDATION/COMMITTEE RESOLUTION

Moved Cr G R Ball

Seconded Cr S M Chilcott

1. That the Audit Committee receives and accepts the 2022 Compliance Audit Return; and,
2. That the Audit Committee recommend to Council the adoption of the 2022 Compliance Audit Return; that a copy be certified by the President and CEO; and that Council authorise its submission with council's resolution to the Department of Local Government, Sport and Cultural Industries.

Carried by Absolute Majority 4/0

BRIEF SUMMARY

The preparation of an annual Compliance Audit Return is required under regulation 14 of the Local Government (Audit) Regulations 1996 ('the regulations').

BACKGROUND/COMMENT

Regulation 14 (1) of the regulations states that a local government is to carry out a compliance audit for the period 1 January to 31 December each year.

Further, at 14 (3A), the local government's audit committee is to review the compliance audit return (CAR) and is to report to council the results of that review.

Consequently, the CAR is to:

- a) be presented to council at a meeting of council; and
- b) adopted by the council; and
- c) recorded in the minutes of the meeting at which it is adopted.

(Reg. 14 (3), refers).

Regulation 15, Local Government (Audit) Regulations 1996 requires a certified copy of the CAR and the relevant section of the minutes (with any supplementary information required) to be submitted to the Departmental CEO by 31 March in the year following the period the CAR refers to (i.e., 31 March 2023).

CONSULTATION/COMMUNICATION

Department of Local Government, Sport and Cultural Industries; audit committee members.

STATUTORY/LEGAL IMPLICATIONS

Regulation 14 and 15, Local Government (Audit) Regulations 1996.

POLICY IMPLICATIONS

Compliance is a key pillar in the delivery of good governance; a number of council policies apply in the preparation of informing documents to this return, including A.9 Elected Member Records Management; A.18 Asset Management; A.21 Continuing Professional Development – Elected Members; A.26 Legislative Compliance; A.27 Standard for CEO Recruitment, Performance and Termination; C.1 Standing Committees; all finance policies.

FINANCIAL IMPLICATIONS

There is no direct financial implication to this item.

STRATEGIC IMPLICATIONS

Good governance and compliance supports confidence in Council operations and strategy.
